SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 8, 2010, based on a complaint filed by Leviton Manufacturing Co. ("Leviton") of Melville, New York. 75 FR 62420 (Oct. 8, 2010). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain ground fault circuit interrupters and products containing the same by reason of infringement of various claims of United States Patent Nos. 7,463,124; 7,737,809; and 7,764,151. The Commission’s notice of investigation named numerous respondents, including respondent The Designers Edge, Inc. of Bellevue, Washington ("Designers Edge").

On April 28, 2011, Leviton moved to amend the Third Amended Complaint and Notice of Investigation to add Coleman Cable, Inc. ("Coleman Cable") as a respondent, asserting that good cause exists to add Coleman Cable because a press release on April 4, 2011, indicated that Coleman Cable had acquired the assets of respondent Designers Edge and is thus in a position to control the accused importation and sales activities of Designers Edge. Leviton argued that the inclusion of Coleman Cable will assist in developing a complete record, obtaining discovery, and affording effective relief, and that no undue prejudice to the public or to the existing respondents will result from the inclusion. No responses to Leviton’s motion were filed. On May 19, 2011, the ALJ issued the subject ID (Order No. 47). None of the parties petitioned for review of the ID.

The Commission has determined not to review the subject ID.

By order of the Commission.
Issued: June 9, 2011.
William R. Bishop, Acting Secretary to the Commission.
