[2253–655]

Notice of Inventory Completion; U.S. Department of the Interior, National Park Service, Fort Vancouver National Historic Site, Vancouver, WA; Correction**AGENCY:** National Park Service, Interior.**ACTION:** Notice; correction.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession and control of the U.S. Department of the Interior, National Park Service, Fort Vancouver National Historic Site, Vancouver, WA. The human remains were removed from Clark County, WA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the Superintendent, Fort Vancouver National Historic Site.

This notice corrects the minimum number of individuals for a Notice of Inventory Completion (NIC) previously published in the *Federal Register* (74 FR 24874–24875, May 26, 2009). A reassessment of the human remains by a physical anthropologist prior to disposition and reburial resulted in an increase in the number of individuals from 9 to 14 for one of the two sites described in the notice. There are no changes to the minimum number of two individuals for the other site listed in the previous NIC. Therefore, the total number of individuals in the previous NIC will be changed from 11 to 16.

Paragraph Number 4 in the NIC is Corrected by Substituting the Following Paragraph

In the 1950s, human remains representing a minimum of 14 individuals were removed from the I–5 corridor in Clark County, WA. The human remains were displaced by I–5 construction and donated to Fort Vancouver National Historic Site. No known individuals were identified. No associated funerary objects are present.

Paragraph Number 7 in the NIC is Corrected by Substituting the Following Paragraph

Officials of Fort Vancouver National Historic Site have determined, pursuant to 25 U.S.C. 3001(9), that the human remains described above represent the

physical remains of 16 individuals of Native American ancestry. Officials of Fort Vancouver National Historic Site also have determined, pursuant to 25 U.S.C. 3001(2), that a relationship of shared group identity cannot reasonably be traced between the Native American human remains and any present-day Indian Tribe.

The Second Sentence of Paragraph Number 8 in the NIC is Corrected by Substituting the Following Sentence by Deleting the Reference to the Number of Individuals

In August 2008, Fort Vancouver National Historic Site requested that the Review Committee recommend disposition of the culturally unidentifiable human remains to the Vancouver Inter-Tribal Consortium on behalf of the following signatories: Clatsop-Nehalem Confederated Tribes; Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Chehalis Reservation, Washington; Confederated Tribes of the Grand Ronde Community of Oregon; Confederated Tribes of the Siletz Reservation, Oregon; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Cowlitz Indian Tribe, Washington; Muckleshoot Indian Tribe of the Muckleshoot Reservation, Washington; Nisqually Indian Tribe of the Nisqually Reservation, Washington; Snoqualmie Tribe, Washington; Snoqualmoo Tribe; Spokane Tribe of the Spokane Reservation, Washington; Stillaguamish Tribe of Washington; and Wanapum Band.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-739]

Certain Ground Fault Circuit Interrupters and Products Containing Same; Notice of Commission Determination Not To Review an Initial Determination Granting Complainant's Motion To Amend the Third Amended Complaint and Notice of Investigation To Add Coleman Cable, Inc. as a Respondent

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 47) issued by the presiding administrative law judge ("ALJ") granting complainant's motion to amend the Third Amended Complaint and Notice of Investigation to add Coleman Cable, Inc. as a respondent in the above-referenced investigation.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S.

International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 8, 2010, based on a complaint filed by Leviton Manufacturing Co. ("Leviton") of Melville, New York. 75 FR 62420 (Oct. 8, 2010). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain ground fault circuit interrupters and products containing the same by reason of infringement of various claims of United States Patent Nos. 7,463,124; 7,737,809; and 7,764,151. The Commission's notice of investigation named numerous respondents, including respondent The Designers Edge, Inc. of Bellevue, Washington ("Designers Edge").

On April 28, 2011, Leviton moved to amend the Third Amended Complaint and Notice of Investigation to add Coleman Cable, Inc. ("Coleman Cable") as a respondent, asserting that good cause exists to add Coleman Cable because a press release on April 4, 2011, indicated that Coleman Cable had acquired the assets of respondent Designers Edge and is thus in a position to control the accused importation and sales activities of Designers Edge. Leviton argued that the inclusion of Coleman Cable will assist in developing a complete record, obtaining discovery, and affording effective relief, and that no undue prejudice to the public or to the existing respondents will result from the inclusion. No responses to Leviton's motion were filed. On May 19, 2011, the ALJ issued the subject ID (Order No. 47). None of the parties petitioned for review of the ID.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 9, 2011.

William R. Bishop,

Acting Secretary to the Commission.
