### Surface Transportation Board

[Docket No. FD 35528]

#### CSX Transportation, Inc.; Trackage Rights Exemption; The Indiana Rail Road Company

Pursuant to a supplemental trackage rights agreement (Supplemental Agreement No. 1),<sup>1</sup> The Indiana Rail Road Company (INRD) has agreed to grant overhead trackage rights to CSX Transportation, Inc. (CSXT)<sup>2</sup> over approximately 3.5 miles of rail line in Terre Haute, Vigo County, Ind., as follows: Between Belt Junction (milepost 181.7) and the south end of INRD's Martin Siding (milepost 185.2), including a right of entry and exit at the connections of INRD with CSXT at Belt Junction and Spring Hill (milepost 182.7).

The new trackage rights agreement extends the trackage rights that INRD

had previously granted to CSXT<sup>3</sup> to operate over INRD's Chicago Subdivision, between the connection of CSXT and INRD trackage at ConMil at approximately INRD milepost 175.5 and the connection of CSXT and INRD trackage at approximately INRD milepost 181.7, a distance of 6.2 miles. The new trackage rights will allow CSXT's crews to deliver trains to and receive trains from INRD on INRD's newly constructed Martin Siding south of Belt Junction.

The transaction may be consummated on June 30, 2011, the effective date of the exemption (30 days after the exemption was filed).

As a condition to this exemption, any employees affected by the trackage rights will be protected by the conditions imposed in *Norfolk & Western Railway—Trackage Rights—Burlington Northern, Inc.*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Railway—Lease & Operate—California Western Railroad*, 360 I.C.C. 653 (1980).

**SUPPLEMENTARY INFORMATION:**

On January 29, 2010, the President signed Executive Order 13530, creating the Council to assist the American people in understanding financial matters and making informed financial decisions, thereby contributing to financial stability. The Council is composed of two *ex officio* Federal officials and 11 non-governmental members appointed by the President with relevant backgrounds, such as financial services, consumer protection, financial access, and education. The role of the Council is to advise the President and the Secretary of the Treasury on means to promote and enhance individuals' and families' financial capability. The Council held its first meeting on November 30, 2010 and its second on April 21, 2011. During the April 2011

meeting, each Council subcommittee presented a progress report and the recommendations it thought the Council as a whole should make to the President and the Secretary. The Council agreed to make two recommendations: (1) That Treasury support the Workplace Leaders in Financial Education Award, administered by the American Institute of Certified Public Accountants and the Society for Human Resources Management; and (2) that the Treasury issue a challenge to the private sector to create applications for mobile devices that promote financial capability and financial access. The Department of the Treasury is looking into how to implement those recommendations. Additionally, the Council discussed the composition of its subcommittees and their priorities, and decided that it would be more effective to embed the work of the "Strategy" subcommittee into the work of the other subcommittees.

In accordance with section 10(a) of the Federal Advisory Committee Act, 5

U.S.C. App. 2 and the regulations thereunder, Dubis Correal, Designated Federal Officer of the Council, has ordered publication of this notice that the Council will convene its third meeting on July 12, 2011, via audio webcast, beginning at 2:30 p.m. Eastern Time. The meeting will be open to the public. Details on how to access the audio webcast will be posted closer to the date of the meeting at <http://www.treasury.gov> (click on Resource Center, then Office of Financial Education and Financial Access, and then on the President's Advisory Council on Financial Capability) or call (202) 622-5770. The purpose of the meeting is to receive an update from the Council's subcommittees on their ideas, progress, and discuss any possible recommendations.

Dated: June 9, 2011.
