SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Community Reinvestment Act Regulations.

OMB Control Number: 1557-0160.

Description: The Community Reinvestment Act (CRA) requires the Federal banking agencies (Agencies) to assess the record of banks and savings associations in helping to meet the credit needs of their entire communities, including low- and moderate-income neighborhoods, consistent with safe and sound operations; and to take this record into account in evaluating applications for mergers, branches, and certain other corporate activities.¹ The CRA statute requires the Agencies to issue regulations to carry out its purposes.²

Each Agency must prepare written CRA evaluations of the institutions they supervise. The public portion of each written evaluation must present the Agency's conclusions with respect to the CRA performance standards identified in its regulations; include the facts and data supporting those conclusions; and contain the institution's CRA rating and the basis for that rating.

The data collection requirements in the CRA regulations are necessary for the Agencies to examine, assess, and assign a rating to an institution's CRA performance and to prepare the public section of the written CRA performance evaluation.

Type of Review: Regular review.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 1,441.

Estimated Frequency of Response: On occasion.

Estimated Total Annual Burden: 109,835 hours.

An agency may not conduct or sponsor, and a respondent is not required to respond to, an information

collection unless the information collection displays a currently valid OMB control number. On March 23, 2011, the OCC issued a notice for 60 days of comment. 76 FR 16476. No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide the information to the OCC.

Dated: June 14, 2011.
