Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limits for the final results of the administrative review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). The

review covers the period February 1, 2009, through January 31, 2010.

DATES: *Effective Date:* June 22, 2011.

FOR FURTHER INFORMATION CONTACT: Susan Pulongbarit, Paul Walker, or Jerry Huang, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4031, (202) 482-0413, or (202) 482-4047, respectively.

Background

On April 9, 2010, the Department published in the **Federal Register** a notice of initiation of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from Vietnam and the People's Republic of China. *See Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China*, 75 FR 18154 (April 9, 2010). On March 4, 2011, the Department published the preliminary results of the review of shrimp from Vietnam. *See Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Results, Partial Rescission, and Request for Revocation, In Part, of the Fifth Administrative Review*, 76 FR 12054 (March 4, 2011). The final results are currently due no later than July 5, 2011.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120 day period to 180 days after the preliminary results if it determines it is not practicable to complete the review within the foregoing time period.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the final results of this administrative review within the 120 day time limit because the Department requires additional time to analyze issues in case and rebuttal briefs submitted by parties, including comments on surrogate country

selection, wage rate calculation, and shrimp surrogate value.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review, which is currently due on July 5, 2011, by 45 days to 165 days after the date on which the preliminary results were published. Therefore, the final results are now due no later than August 16, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: June 15, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Purified Carboxymethylcellulose from the Netherlands; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from petitioner Aqualon Company, a unit of Hercules Incorporated and a U.S. manufacturer of purified carboxymethylcellulose, and Akzo Nobel Functional Chemicals B.V., the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on purified carboxymethylcellulose (CMC) from the Netherlands. This administrative review covers imports of subject merchandise produced and exported by Akzo Nobel Functional Chemicals B.V. during the period of review (POR) of July 1, 2009, through June 30, 2010.

We preliminarily determine that sales of subject merchandise by Akzo Nobel Functional Chemicals B.V. were made at less than normal value during the period of review. If these preliminary results are adopted in our final results of administrative review, we will issue appropriate assessment instructions to U.S. Customs and Border Protection (CBP). Interested parties are invited to comment on these preliminary results. Parties who submit argument in this review are requested to submit with the argument: (1) A statement of the issues; (2) a brief summary of the argument; and (3) a table of authorities.
