transactions that are intended to repatriate earnings and profits of the controlled foreign corporation without an income inclusion by its United States shareholders under section 951(a)(1)(B). The purpose of these regulations is to prevent a United States shareholder of a controlled foreign corporation from avoiding an income inclusion under section 951(a)(1)(B) where the controlled foreign corporation acquires United States property in an exchange to which these regulations apply and claims a basis in the United States property that is less than the amount of earnings and profits repatriated. No comments in response to the proposed regulations were received and no public hearing was requested or held. This Treasury decision adopts the proposed regulations with minor changes, described below, as final regulations and removes the corresponding temporary regulations.

Language was added to § 1.956–1(e)(6)(iii) to clarify the effect of the assumption of a liability by a controlled foreign corporation in connection with an exchange to which § 1.956–1(e)(6) applies. The final regulations also modify § 1.956–1(e)(6)(v) to address the situation in which the controlled foreign corporation exchanges specified United States property the adjusted basis in which has been determined under § 1.956–1(e)(6) for other United States property, by providing that for purposes of applying section 956 the controlled foreign corporation’s adjusted basis in the other United States property is no less than its adjusted basis in the specified United States property as determined under § 1.956–1(e)(6)(iii). A cross-reference to the anti-abuse rule of § 1.956–1T(b)(4) was also added to § 1.956–1(e)(6)(vi), Example 3.

Effective/Applicability Dates

These final regulations apply to property acquired in exchanges occurring on or after June 24, 2011. For transactions that occur prior to June 24, 2011, see § 1.956–1T(e)(6) as contained in 26 CFR Part 1 revised as of April 1, 2011.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866; therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, these regulations have been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Drafting Information

The principal author of these regulations is Kristine A. Crabtree, Office of Associate Chief Counsel (International). However, other personnel from the IRS and the Treasury Department participated in their development.

Adoption of Amendments to the Regulations

Accordingly, 26 CFR part 1 is amended as follows:

PART I—INCOME TAXES

Section 1.956–1(e)(6), and removing paragraph (f).

Paragraph 1. The authority citation for part 1 is amended by adding entries in numerical order to read in part as follows:

Authority: 26 U.S.C. 7805 * * *
Section 1.956–1(e)(6) also issued under 26 U.S.C. 367(b) and 956(e).

Par. 2. Section 1.956–1 is amended by revising the last sentence of paragraph (e)(1), revising paragraphs (e)(5) and (e)(6), and removing paragraph (f).

The revisions read as follows:

§ 1.956–1 Shareholder’s pro rata share of a controlled foreign corporation’s increase in earnings invested in United States property.

(e) * * *
(1) * * * See § 1.956–1(e)(6) for a special rule for determining amounts attributable to United States property acquired as the result of certain nonrecognition transactions.

* * * * *

(5) [Reserved]. For further guidance, see § 1.956–1T(e)(5).

(6) Adjusted basis of property acquired in certain nonrecognition transactions—(i) Scope. This paragraph (e)(6) provides rules for determining, solely for purposes of applying section 956, the adjusted basis of specified United States property acquired by a controlled foreign corporation pursuant to an exchange in which the controlled foreign corporation’s basis in such specified United States property is determined under section 362(a). This paragraph (e)(6) also applies if specified United States property, the adjusted basis in which has been determined under these regulations, is transferred (in one or more subsequent exchanges) to a related person (within the meaning of section 954(d)(3)), pursuant to one or more exchanges in which the related person’s adjusted basis in such property is determined, in whole or in part, by reference to the transferor controlled foreign corporation’s adjusted basis in such property.

(ii) Definition of specified United States property. For purposes of this paragraph (e)(6), specified United States property is stock of a domestic corporation described in section 956(c)(1)(B) or an obligation of a domestic corporation described in section 956(c)(1)(C) that is acquired by a controlled foreign corporation from the domestic issuing corporation. Specified United States property does not include property described in section 956(c)(2).

(iii) Adjusted basis of specified United States property. Solely for purposes of applying section 956, the adjusted basis of specified United States property acquired by a controlled foreign corporation in connection with an exchange to which this paragraph (e)(6) applies shall be no less than the fair market value of any property transferred by the controlled foreign corporation in exchange for such specified United States property. For purposes of this paragraph (e)(6), the term property has the meaning set forth in section 317(a), but also includes any liability that is assumed by the controlled foreign corporation in connection with the exchange notwithstanding the application of section 357(a). The assumption of a liability by the controlled foreign corporation in connection with the exchange will be considered the transfer of property. The fair market value of such property will be the amount of the liability assumed. The fair market value of any property transferred by the controlled foreign corporation in exchange for the specified United States property shall be determined at the time of the exchange.

(iv) Timing. For purposes of § 1.956–2(d)(1)(i)(a), a controlled foreign corporation that acquires specified United States property in an exchange to which this paragraph (e)(6) applies acquires an adjusted basis in such property at the time of the controlled foreign corporation’s exchange of property for such specified United States property.

(v) Transfers to related persons. If a controlled foreign corporation transfers specified United States property, the adjusted basis in which has been determined under this paragraph (e)(6), to a related person (within the meaning
of section 954(d)(3) (related person transferee) in one or more exchanges pursuant to which the related person transferee’s adjusted basis in such specified United States property is determined, in whole or in part, by reference to the controlled foreign corporation’s adjusted basis in such specified United States property, then, solely for purposes of applying section 956 following such exchange, the controlled foreign corporation’s adjusted basis in any United States property received in the exchange (or exchanges) shall be no less than the aggregate adjusted basis of the specified United States property as determined under paragraph (e)(6)(iii) of this section, and the related person transferee’s adjusted basis in such specified United States property shall be no less than the adjusted basis of such specified United States property in the hands of the controlled foreign corporation as determined under paragraph (e)(6)(iii) of this section. This paragraph (e)(6)(iii) are illustrated by the following examples:

Example 1.

(i) Facts.

The US2 stock acquired by the USP corporation, is the common parent of an affiliated group that joins in the filing of a consolidated return. USP owns 100 percent of the stock of US1 and US2, both domestic corporations and members of the USP consolidated group. US1 owns 100 percent of the stock of CFC, a controlled foreign corporation. US2 acquires $100x of its stock to CFC in exchange for $10x of CFC stock and $90x cash. CFC’s transfer of its stock to CFC is described in section 351, and CFC’s adjusted basis in the US2 stock acquired in the exchange, determined under section 362(a), equals $100x.

(ii) Analysis. The US2 stock acquired by CFC in the exchange constitutes specified United States property under paragraph (e)(6)(ii) of this section because CFC acquires the US2 stock from USP. Therefore, CFC’s adjusted basis in the US2 stock, for purposes of section 956, is not determined under this paragraph (e)(6). Instead, CFC’s adjusted basis in the US2 stock is determined under the general rule of section 362(a) and under paragraphs (e)(1) through (4) of this section. As determined under section 362(a), CFC’s adjusted basis in the US2 stock is $100x.
