After the State of Louisiana confirmed receipt of that payment, MMS would offset the royalty receivable created on its books for amounts due from the lessee with a credit for the amount of royalty withheld. In January 2011, the Department of the Interior's Office of Natural Resources Revenue (ONRR) advised Treasury that the total amount due pursuant to Section 383 had been paid and requested the publication of the required certification.

Pursuant to the delegation of authority in Treasury Order 101-05 and the assignment of duties in Treasury Directive 27-02, Treasury's Financial Management Service (FMS) is publishing this notice to carry out the Secretary's certification obligation under the Oil Pollution Act of 2005. FMS has reviewed the schedule of withheld royalty payments provided by ONRR. Based on the information presented in that payment schedule, FMS is publishing this notice, certifying that, as of October 1, 2010, the royalties reported as withheld by the lessee in accordance with the Energy Policy Act of 2005 amounted to \$18,115,147.16 plus interest at 8% per annum. This certification is applicable as of October 1, 2010.
