31 CFR Chapter V

Alphabetical Listings: Specially Designated Nationals and Blocked Persons; Blocked Vessels; Persons Determined To Be the Government of Iran

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury’s Office of Foreign Assets Control (“OFAC”) is amending 31 CFR chapter V to replace the list of persons (which includes individuals and entities) with whom transactions and dealings are prohibited by the various economic sanctions programs administered by OFAC that appears at Appendix A to 31 CFR chapter V with information on how to obtain up-to-date lists of such persons on OFAC’s Web site or by other means. OFAC also is removing Appendix B to 31 CFR chapter V, which includes the names of certain blocked vessels. In addition, OFAC is amending its regulations for a number of the sanctions programs it administers to revise references to Appendix A and to remove references to Appendix B.

Finally, OFAC is amending the Iranian Transactions Regulations, by republishing in alphabetical order the entire list of persons identified in Appendix A to 31 CFR Part 560, to reflect changes to the list since that appendix was last published.

DATES: Effective Date: June 30, 2011.

SUPPLEMENTARY INFORMATION:

Electronic and Facsimile Availability

This document and additional information concerning OFAC are available from OFAC’s Web site (http://www.treasury.gov/ofac). Certain general information pertaining to OFAC’s sanctions programs also is available via facsimile through a 24-hour fax-on-demand service, tel.: 202/622–0077.

Background

The Department of the Treasury’s Office of Foreign Assets Control (“OFAC”) maintains a list of blocked persons, blocked vessels, specially designated nationals, specially designated terrorists, specially designated global terrorists, foreign terrorist organizations, and specially designated narcotics traffickers whose property and interests in property are blocked pursuant to the various economic sanctions programs administered by OFAC. OFAC previously has published that list as Appendix A to 31 CFR chapter V. OFAC is hereby amending Appendix A to replace this list with information on how to obtain up-to-date lists of such persons and vessels on OFAC’s Web site or by other means, as well as with additional information pertaining to the lists. OFAC also is removing Appendix B to 31 CFR chapter V, which includes the names of certain blocked vessels, because more up-to-date information on such blocked vessels may be obtained on OFAC’s Web site or by other means. Finally, OFAC is amending its regulations for a number of the sanctions programs it administers to revise references to Appendix A and remove references to Appendix B.

Blocking, designation, identification, or delisting actions pursuant to the sanctions programs administered by OFAC are effective upon the earlier of actual or constructive notice. Notices of blocking, designation, identification, and delisting actions are published in the Federal Register frequently and at irregular intervals. Because new or updated information may be published in the Federal Register and added to OFAC’s Web site at any time, the list of persons that previously appeared at Appendix A could be out-of-date at the time of its annual publication in the Federal Register. Frequently updated information on OFAC designations and other actions resulting in blocking is provided for examination on, or downloading from, OFAC’s Web site (http://www.treasury.gov/ofac). Among other information, OFAC provides on its Web site the Specially Designated Nationals and Blocked Persons List (“SDN List”). OFAC updates the SDN List on an ongoing basis to reflect the inclusion or deletion of names as a result of new blocking, designation, identification, or delisting actions, as well as changes in identifying information, including alternative spellings and aliases. These updates also are published in notices in the Federal Register. Because the SDN List is updated on an ongoing basis to reflect additions and deletions of names, as well as changes in identifying information, it provides more up-to-date information than the list of persons previously published on an annual basis at Appendix A.

Persons engaging in regulated activities are advised to check the Federal Register and the most recent version of the SDN List posted on OFAC’s Web site for updated information on blocking, designation, identification, and delisting actions before engaging in transactions that may be prohibited by the economic sanctions programs administered by OFAC.

This final rule replaces the list of persons previously published at Appendix A with the URL address for the Web page on which OFAC publishes the SDN List. Because certain persons engaging in regulated activities may not have access to OFAC’s Web site, this final rule also provides information on alternate means by which the public may access the information contained on the SDN List. This final rule also includes in Appendix A additional information pertaining to the SDN List. OFAC previously has published, as Appendix B, an alphabetical listing of certain vessels that are the property of blocked persons or specially designated nationals. OFAC also has included such vessels in the list of names published at Appendix A and on the SDN List with the notation “(vessel).” OFAC segregates the names of these blocked vessels into a special sub-section of the SDN List that includes only blocked vessels. OFAC has determined that, because the list of blocked vessels is now provided in a segregated sub-section of the SDN List that may be updated more readily than Appendix B, continued publication of Appendix B is unnecessary.

Notwithstanding this discontinuation of Appendix B, persons engaging in regulated transactions are reminded of the unique rules that apply with respect to blocked vessels. These rules are briefly covered in note 7 to Appendix A. Please also review OFAC’s regulations for the program pursuant to which a vessel is blocked prior to engaging in a transaction involving that vessel.

The regulations for many of the sanctions programs administered by OFAC contain references to Appendix A and Appendix B. This final rule revises the relevant parts of 31 CFR chapter V to remove those references and replace them with information on how to obtain up-to-date lists of such persons and vessels on OFAC’s Web site or by other means. Please note that for sanctions program regulations being amended to make technical, conforming changes to remove or revise references...
to Appendix A and Appendix B, the authority sections have not been revised to include Executive orders or statutes relevant to these programs that have not yet been implemented in the regulations. Such Executive orders or statutes will be incorporated into the authority section for the relevant program at such time as the regulations are amended to implement these authorities.

Specific licenses previously issued by OFAC may include references to Appendix A or Appendix B. In newly amended Appendix A, OFAC notifies persons who have been issued specific licenses by OFAC that any reference to Appendix A or Appendix B in an outstanding specific license shall be read to refer to the SDN List.

In this final rule, OFAC also is amending the Iranian Transactions Regulations, 31 CFR part 560 (the “ITR”), by republishing in alphabetical order the entire list of persons identified in Appendix A to Part 560, to reflect changes to the list since Appendix A to Part 560 was last published (75 FR 34360, June 18, 2010). The republished list, “Appendix A to Part 560—Persons Determined to be the Government of Iran, as Defined in §560.304 of This Part,” includes information regarding identification or delisting actions under 31 CFR part 560, as well as changes to existing listings. Please note that OFAC will continue to publish lists of names contained within appendices to various parts of 31 CFR chapter V; for example, OFAC will continue to publish Appendix I to Part 539 and Appendix A to Part 560. Moreover, information regarding identification or delisting actions under 31 CFR part 560 will continue to be reflected in the SDN List as well.

Please note that most OFAC sanctions programs prohibit transactions involving persons and vessels not identified on the SDN List or other lists provided by OFAC. For example, certain sanctions programs prohibit transactions with persons meeting a particular definition, whether or not that person is identified on the SDN List (see, e.g., 31 CFR part 515).

Additionally, a person whose property and interests in property are blocked has an interest in all property and interests in property of an entity in which it owns, directly or indirectly, a 50 percent or greater interest. The property and interests in property of such an entity, therefore, are blocked, and such an entity is a person whose property and interests in property are blocked, regardless of whether the entity itself is on the SDN List.

Public Participation

Because the amendment of 31 CFR chapter V involves a foreign affairs function, Executive Order 12866 of September 30, 1993 and the Administrative Procedure Act (5 U.S.C. 553), requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

33. Revise Appendix A to part 560 to read as follows:

Appendix A to Part 560—Persons Determined To Be the Government of Iran, as Defined in § 560.304 of This Part

This non-exclusive appendix lists persons determined by the Office of Foreign Assets Control (“OFAC”) to be the Government of Iran, as defined in § 560.304 of this part. The persons listed below are considered to be the Government of Iran not only when they operate from the locations listed below, but also when they operate from any other location. The names and addresses are subject to change. This part 560 contains prohibitions against engaging in most transactions with persons that meet the definition of the Government of Iran, whether such persons are located inside or outside of Iran. Moreover, regardless of whether a person is listed below, if the person comes within the definition of Government of Iran in § 560.304, the prohibitions on engaging in transactions with the person, wherever located worldwide, apply to the same extent they would apply if the person were listed in this appendix. Note that the prohibitions in this part 560 also apply to most transactions with persons located in Iran that are not the Government of Iran.

The names of persons listed in this appendix also are included on OFAC’s Specially Designated Nationals and Blocked Persons List (“SDN List”) with the identifier “[IRAN].” Although there is no requirement to block the property and interests of property listed in this appendix, U.S. persons are cautioned that entities identified as owned or controlled by the Government of Iran also may be designated or blocked pursuant to additional sanctions programs administered by OFAC. The entry for a person’s name in this appendix and on the SDN List may include—in addition to the identifier “[IRAN]”—identifier(s) for the other sanctions program(s) pursuant to which the person is listed on the SDN List (e.g., “[IRAN] [NPWMD]” or “[IRAN] [SDGT]”).

Notes to Appendix A to Part 560: 1. The alphabetical list below provides the following information concerning persons determined by OFAC to be the Government of Iran: The name (including known former or alternate names), address, the identifier “[IRAN]”, and, if applicable, the identifier(s) denoting other sanctions program(s) pursuant to which the person is blocked.

2. The abbreviations used in this appendix are “a.k.a.” (also known as) and “f.k.a.” (formerly known as).

4. The names of persons listed in Appendix A to part 560 are published in the Federal Register and included on the SDN List. The SDN List is accessible through the following page on OFAC’s Web site: http://www.treasury.gov/ofac. Certain general information pertaining to OFAC’s sanctions programs also is accessible via facsimile through a 24-hour fax-on-demand service, tel.: 202/622–0077. Please consult OFAC’s Web site prior to engaging in transactions that may be subject to the prohibitions contained in part 560. In addition, such information is incorporated on an ongoing basis into OFAC’s SDN List, which is available for review on, or download from, the following location on OFAC’s Web site: http://www.treasury.gov/sdn. Please call OFAC’s Sanctions Compliance & Evaluation Division with questions about OFAC-administered sanctions programs, including
current electronic sources of OFAC information: 202/622–2490 or 800/540–6322 (toll-free). Information also is available by fax through OFAC’s fax-on-demand service, at 202/622–0077. Blocked vessels must themselves be physically blocked should they enter U.S. jurisdiction. Freight forwarders and shippers may not charter, book cargo on, or otherwise deal with blocked vessels.

8. The SDN List includes the names of persons identified in Appendix A to Part 560 as persons determined to be the Government of Iran. The SDN List entries for such persons include the identifier “[IRAN].” U.S. persons are advised to review 31 CFR part 560 prior to engaging in transactions involving the persons included on the SDN List with the identifier “[IRAN].” U.S. persons are further cautioned that persons identified as persons determined to be the Government of Iran also may be designated or blocked pursuant to other sanctions programs administered by OFAC. The SDN List entry for a person listed in Appendix A to Part 560 may include—in addition to the identifier “[IRAN]”—identifier(s) for the other sanctions program(s) pursuant to which the person is listed on the SDN List. Moreover, the compliance obligations with respect to persons who fall within the definition of the Government of Iran in § 560.304 of the Iranian Transactions Regulations, 31 CFR part 560, apply regardless of whether such persons are identified in Appendix A to Part 560 or the SDN List.

9. Unless otherwise specifically provided, any amendment, modification, or revocation of any entry on the SDN List does not affect any act done or omitted, or any civil or criminal proceeding commenced or pending, prior to such amendment, modification, or revocation.
