Abstract: Pursuant to Section 106 of the Rehabilitation Act of 1973, as amended, Vocational Rehabilitation agencies found to be out of compliance with federal requirements as a result of failing to meet established performance standards must develop for Rehabilitation Service Administration (RSA) approval a Program Improvement Plan (PIP) using the on-line form located on the RSA management information system. The PIP must contain goals established by the agency, including measurable targets, by which it will assess its progress toward meeting the required minimum performance levels, along with strategies for the achievement of the goals. In accordance with regulations at 34 CFR 361.89 (c), RSA reviews an agency’s progress toward achieving the goals established in the PIP. Type of Review: Revision.
Title of Collection: Office of Special Education and Rehabilitative Services (OSERS) Peer Review Data Form.
OMB Control Number: 1820–0583.
Agency Form Number(s): N/A.
Frequency of Responses: On Occasion; Annually.
Affected Public: Individuals or households.
Total Estimated Number of Annual Responses: 1,875.

Total Estimated Annual Burden Hours: 470.

Abstract: Office of Special Education and Rehabilitative Services (OSERS) Peer Review Data Form is used to support the peer review process panel assignments and to update individual peer reviewer personal information in the OSERS Peer Reviewer System database. This information is requested when an individual is asked to serve as a peer reviewer and/or updated biannually by persons who previously served as peer reviewers. The information is used by OSERS staff and the peer review contractor to identify potential reviewers who would be appropriate to review specific types of grant applications for funding; provide background information on each potential reviewer; and provide information on any reasonable accommodations that might be required by the individual. The changes to the data form include adding two check boxes that will allow first–time respondents and repeat reviewers to complete the entire form or simply update contact information. This alleviates the need for a separate form, currently in use, to update reviewer contact information. Also, to promote electronic submission, all the fields were made “fillable” through the use of text or check boxes.

Copies of the information collection submission for OMB review may be accessed from the RegInfo.gov Web site at http://www.reginfo.gov/public/do/PRAMain or from the Department’s Web site at http://edicsweb.ed.gov, by selecting the “Browse Pending Collections” link and by clicking on link number 4550.
