Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

The Department is issuing and publishing these final results and this notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act.

Dated: June 24, 2011.

Filing Information

As a courtesy, we are making information related to Sunset

proceedings, including copies of the pertinent statute and Department’s regulations, the Department schedule

for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the

public on the Department's Internet Web site at the following address: "<http://ia.ita.doc.gov/sunset/>." All submissions in these Sunset Reviews must be filed in accordance with the Department's regulations regarding format, translation, and service of documents. These rules can be found at 19 CFR 351.303.

This notice serves as a reminder that any party submitting factual information in an antidumping duty or countervailing duty (AD/CVD) proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all AD/CVD investigations or proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in investigations/proceedings initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required from Interested Parties

Domestic interested parties defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b) wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal**

Register of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning AD/CVD proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: June 21, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests to extend that five-day deadline based upon a showing of good cause.

Transportation Infrastructure/ Multimodal Products and Services Trade Mission to Doha, Qatar, and Abu Dhabi and Dubai, United Arab Emirates

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

Mission Description

The U.S. Department of Commerce, International Trade Administration, U.S. Commercial Service is organizing a senior executive-led trade mission for multi-modal transportation and infrastructure development products and services to Doha, Qatar and Abu Dhabi and Dubai, United Arab Emirates (U.A.E) on October 29–November 3, 2011. The mission is designed to contribute to President Obama's National Export Initiative, which aims to double U.S. exports by 2015 while supporting two million American jobs, by increasing exports of products and services that contribute to infrastructure development projects in Qatar and U.A.E.

The mission will help U.S. companies already doing business in Qatar or the U.A.E. increase their current level of exports and exposure, and will help experienced U.S. exporters, which have not yet done business in Qatar or the U.A.E. enter these markets in support of job creation in the United States. Participating firms will gain market information, connect with key business and government decision makers, solidify business strategies, and/or advance specific projects. In each of these important sectors, participating U.S. companies will meet with prescreened potential partners, agents, distributors, representatives, and licensees. The agenda will also include meetings with high-level national and local government officials, networking opportunities, country briefings, and seminars.

The industry sectors for this mission will include, but are not limited to: multimodal freight transportation systems, products and technologies, including port development, airport development, freight rail systems and technologies, supply chain systems and strategies; mass transportation systems; advanced vehicle technologies and intelligent transportation systems and related services and software; and other relevant products and services.

The delegation will be composed of 15 qualified U.S. firms representing the
