Reducing Regulatory Burden; Retrospective Review Under E.O. 13563

AGENCY: Department of Education.

ACTION: Request for information.

SUMMARY: The U.S. Department of Education (the Department) requests comments on its preliminary plan for the retrospective analysis of its existing regulations as part of its implementation of Executive Order 13563 “Improving Regulation and Regulatory Review.” The purpose of this preliminary plan is to make the Department’s regulatory program more effective and less burdensome in achieving the Department’s regulatory objectives. The plan, once final, will establish the Department’s policy for conducting thorough and meaningful retrospective reviews and analyses of its regulations on an ongoing basis. The Department requests public comment on this preliminary plan to help the Department review its significant existing regulations in order to determine whether any of these regulations should be modified, streamlined, expanded, or repealed.

In addition, pursuant to the “President’s Memorandum on Administrative Flexibility, Lower Costs, and Better Results for State, Local, and Tribal Governments,” we request comments (including, when applicable, from students, their parents, and consumer and taxpayer representatives) on possible administrative flexibility that the Department may be able to provide to State, local, and tribal governments.
