

SUPPLEMENTARY INFORMATION: The information collection allows the ETA to determine the number of aliens filing for unemployment insurance, the number of benefit issues detected and the denials resulting from the U.S. Citizenship and Immigration Services (USCIS) Systematic Alien Verification for Entitlement (SAVE) Program. From these data, the ETA can determine the extent to which State agencies use the system, and the overall effectiveness and cost efficiency of the USCIS SAVE verification system.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB control number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1205–0268. The current OMB approval is scheduled to expire on July 31, 2011; however, it should be noted that information collections submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on March 8, 2011 (76 FR 12758).
