

or after the meeting. If you would like to make oral statements regarding any of these items on the agenda, you should contact John Kogut, 301-903-1298 or John.Kogut@science.doe.gov. You must make your request for an oral statement at least 5 business days before the meeting. Reasonable provision will be made to include the scheduled oral statements on the agenda. The Chairperson of the Panel will conduct the meeting to facilitate the orderly conduct of business. Public comment will follow the 10-minute rule.

Minutes: The minutes of the meeting will be available on the U.S. Department of Energy's *Office of High Energy Physics Advisory Panel website*.

Issued at Washington, DC, on July 7, 2011.

Rachel Samuel,

Deputy Committee Management Officer.

[Docket No. CP11-507-000]

Tres Palacios Gas Storage LLC; Notice of Application

Take notice that on July 5, 2011, Tres Palacios Gas Storage LLC (TPGS), Two Brush Creek Blvd., Suite 200, Kansas City, Missouri 64112, filed pursuant to section 7 of the Natural Gas Act (NGA) and part 157 the Commission's regulations, an abbreviated application for an amendment to its certificate of public convenience and necessity issued on September 20, 2007, Docket No. CP07-90-000; authorizing TPGS to implement limited changes to the certificated Tres Palacios Storage Facility located in Matagorda County, Texas. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TYY, (202) 502-8659.

TPGS proposes the substitution of a 15,300 hp single electric-driven centrifugal compressor for five not-yet-installed certificated 4,800hp gas-fired compressors and to construct associated appurtenances and facilities necessary for the safe operation of the new compressor (Compressor Substitution Project). The proposed project will be constructed within the existing footprint of the Tres Palacios Storage Facility on

previous cleared land. TPGS does not propose any changes in the capacity, injection rates, or withdrawal rates authorized by the Commission. Also, TPGS does not propose any changes to the previously authorized services for the Tres Palacios Storage Facility.

Any questions regarding this application should be directed to Marvin T. Griff, Husch Blackwell LLP, 750 17th Street, NW., Washington, DC 20006-4656; telephone (202) 378-2311, fax (202) 378-2319, or e-mail marvin.griff@huschblackwell.com.

Any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit original and 7 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Motions to intervene, protests and comments may be filed electronically via the Internet in lieu of paper, see, 18 CFR 385.2001 (a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Comment Date: July 28, 2011.

Dated: July 7, 2011.

Kimberly D. Bose,

Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP11-500-000]

El Paso Natural Gas Company; Notice of Application

Take notice that on June 28, 2011, El Paso Natural Gas Company (El Paso), P.O. Box 1087, Colorado Springs, Colorado 80944, filed in Docket No. CP11-500-000, a request for authority,

pursuant to 18 CFR part 157 and section 7(b) of the Natural Gas Act, to abandon, by removal, the previously abandoned, in place, Benson Compressor Station (Benson Station) located in Cochise County, Arizona. Specifically, El Paso proposes to remove all aboveground facilities including the foundation, existing pipeline compression facilities and appurtenances at the Benson Station. El Paso states that the removal of the Benson Station will be in the public interest in order to discourage future vandalism, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

Any questions regarding this application should be directed to Susam C. Stires, Director, Regulatory affairs Department, Colorado Interstate Gas Company, P.O. Box 1087, Colorado Springs, CO 80944, telephone no. (719) 667-7514, facsimile no. (719) 667-7534, and e-mail: EPMGRegulatoryaffairs@elpaso.com.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426,
