

voluntary fixed and mobile Consumer Broadband Test database, which is housed in the FCC's computer network databases, is restricted to authorized supervisors and staff in the Office of Strategic Planning (OSP) and the Information Technology Center's (ITC) Planning and Support Group, who maintain these computer databases. Additionally, staff of the National Broadband Map may be granted access to this data. Other FCC employees and contractors may be granted access on a "need-to-know" basis. The FCC's computer network databases are protected by the FCC's security protocols, which include controlled access, passwords, and other security features. Information resident on the database servers is backed-up routinely onto magnetic media. Back-up tapes are stored on-site and at a secured, off-site location.
