Charlene Ponce, Public Information Officer; Gulf of Mexico Fishery Management Council; telephone: (813) 348-1630.

SUPPLEMENTARY INFORMATION:

During this meeting, the Outreach and Education Advisory Panel will elect officers; receive a report on a Communications Audit conducted by University of South Florida students; discuss the possibility of conducting a stakeholder survey; review and finalize a five-year strategic communications plan; discuss reformatting of scoping meetings/public hearings; and discuss potential outreach opportunities for Council members. The panel may also provide recommendations to the Council on any or all of these issues.

Copies of the agenda and other related materials can be obtained by calling (813) 348-1630 or can be downloaded from the Council's ftp site, <ftp.gulfcouncil.org>.

Although other non-emergency issues not on the agenda may come before the Outreach and Education Advisory Panel for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during this meeting. Actions of the Scientific and Statistical Committees will be restricted to those issues specifically identified in the agenda and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Kathy Pereira at the Council (see **ADDRESSES**) at least 5 working days prior to the meeting.

SUPPLEMENTARY INFORMATION:**Coastal Migratory Pelagic Resources**

The Gulf of Mexico Fishery Management Council will hold public hearings on Amendment 18 to the Fishery Management Plan for Coastal Migratory Pelagic Resources in the Atlantic and Gulf of Mexico Including Environmental Assessment, Regulatory Impact Review, and Regulatory Flexibility Act Analysis. Amendment 18 contains alternatives for actions to set annual catch limits and accountability measures if such limits are exceeded for Gulf group king mackerel, Gulf group Spanish mackerel, and Gulf group cobia. It also contains measures to remove cero, little tunny, dolphin, and bluefish (Gulf) from the fishery management plan; revise the framework procedure; and separate cobia into Atlantic and

Gulf migratory groups. Similar measures are being proposed for the Atlantic migratory stocks.

Reef Fish

Amendment 32 to the Reef Fish Fishery Management Plan establishes annual catch limits and annual catch targets for 2012 and 2015 for gag and for 2012 for red grouper. The Amendment also contains actions to: Establish a rebuilding plan for gag; set recreational bag limits, size limits and closed seasons for gag/red grouper in 2012; consider a commercial gag and shallow-water grouper quota adjustment to account for dead discards; make adjustment to multi-use IFQ shares in the grouper individual fishing quota program; reduce the commercial gag size limit; modify the offshore time and areas closures; and revise gag, red grouper, and shallow-water grouper accountability measures.

The Public Hearings will begin at 6 p.m. and conclude at the end of public testimony or no later than 9 p.m. at the following locations:

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed actions.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice will be required to procure the product and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the product and services to the Government.
2. If approved, the action will result in authorizing small entities to furnish the product and services to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the product and services proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.
