

3. Public participation and collaboration will be an integral part of the planning process;

4. The BLM will strive to make decisions in the plan compatible with the existing plans and policies of adjacent local, State, and Federal agencies and local American Indian tribes, as long as the decisions are consistent with the purposes, policies, and programs of Federal laws and regulations applicable to public lands;

5. The RMP amendment/EA will recognize valid existing rights;

6. The RMP amendment/EA will incorporate, where applicable, management decisions brought forward from existing planning documents;

7. The BLM staff will work with cooperating agencies and all other interested groups, agencies, and individuals;

8. The BLM and cooperating agencies will jointly develop alternatives for resolution of resource management issues and management concerns;

9. GIS and metadata information will meet Federal Geographic Data Committee standards, as required by Executive Order 12906 and all other applicable BLM data standards will be followed;

10. The planning process will provide for ongoing consultation with American Indian tribes to identify strategies for protecting recognized traditional uses;

11. Planning and management direction will focus on the relative values of resources and not the combination of uses that will give the greatest economic return or economic output;

12. The BLM will consider the quantity and quality of non-commodity resource values;

13. Where practicable and timely for the planning effort, the best available scientific information, research, and new technologies will be used;

14. Actions must comply with all applicable regulations and must be reasonable, achievable, and allow for flexibility while supporting adaptive management principles; and

15. The Economic Profile System will be used as one source of demographic and economic data for the planning process, which will provide baseline data and contribute to estimates of existing and projected social and economic conditions.

The BLM will utilize and coordinate the NEPA commenting process to satisfy the public involvement process for Section 106 of the National Historic Preservation Act (16 U.S.C. 470f) as provided for in 36 CFR 800.2(d)(3). Native American tribal consultations will be conducted in accordance with

policy, and tribal concerns will be given due consideration, including concerns related to impacts on Indian trust assets. Federal, State, tribal and local agencies, along with stakeholders, are invited to participate in the scoping process and, if eligible, may participate as a cooperating agency.

You may submit comments on issues and planning criteria in writing to the BLM at any public scoping meeting, or you may submit them to the BLM using one of the methods set forth in the **ADDRESSES** section of this Notice, and within the timeframes set forth in the **DATES** section of this Notice. Please note that public comments and information submitted including names, street addresses, and email addresses of persons who submit comments will be available for public review and disclosure at the above address during regular business hours (8 a.m. to 4 p.m.), Monday through Friday, except holidays. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 40 CFR 1501.7, 43 CFR 1610.2.
