

Department determined that revocation of the antidumping duty order on PTFE resin from Italy would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked. See *Granular Polytetrafluoroethylene Resin From Italy: Final Results of Expedited Sunset Review of the Antidumping Duty Order*, 76 FR 12939 (March 9, 2011).

On July 7, 2011, the ITC published its determination in the **Federal Register**, pursuant to section 751(c)(1) of the Act, that revocation of the antidumping duty order on PTFE resin from Italy would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Granular Polytetrafluoroethylene Resin From Italy*, 76 FR 39896 (July 7, 2011), and *USITC Publication 4240* (June 2011), *Granular Polytetrafluoroethylene Resin From Italy*, Investigation No. 731-TA-385, Third Review (Expedited).

#### Scope of the Order

The product covered by the order is PTFE resin, filled or unfilled. The order also covers PTFE wet raw polymer exported from Italy to the United States. See *Granular Polytetrafluoroethylene Resin From Italy: Final Affirmative Determination of Circumvention of Antidumping Duty Order*, 58 FR 26100 (April 30, 1993). The order excludes PTFE dispersions in water and fine powders. During the period covered by this review, such merchandise was classified under item number 3904.61.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). We are providing this HTSUS number for convenience and customs purposes only. The written description of the scope remains dispositive.

#### Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the antidumping duty order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping order on PTFE resin from Italy. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to sections

751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

This five-year (sunset) review and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

**FOR FURTHER INFORMATION CONTACT:** Ellen M. Bohon, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, NW., Washington, DC 20230, (202) 482-5438.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of the North American Free Trade Agreement ("Agreement") established a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final

determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada, and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686).

A first Request for Panel Review was filed with the United States Section of the NAFTA Secretariat, pursuant to Article 1904 of the Agreement, on July 8, 2011, requesting a panel review of the determination and order described above.

The Rules provide that:

(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 39 within 30 days after the filing of the first Request for Panel Review (the deadline for filing a Complaint is August 8, 2011);

(b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is August 22, 2011); and

(c) The panel review shall be limited to the allegations of error of fact or law, including the jurisdiction of the investigating authority, that are set out in the Complaints filed in panel review and the procedural and substantive defenses raised in the panel review.
