SUPPLEMENTARY INFORMATION: Pursuant to the provisions of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, notice is given that the Financial Management Service (FMS), a bureau of the Department of the Treasury (Treasury), proposes to amend its system of records entitled "Direct Deposit Enrollment Records—Treasury/Financial Management Service" (Treasury/FMS .006). FMS is adding additional

categories of records in the system and is amending its routine uses to allow for the processing of waivers related to the requirement that all Federal payments, other than tax payments, be made electronically. On December 22, 2010, FMS published an amendment to its regulation at 31 CFR part 208 (Part 208) (see, 75 FR 80315), which implements 31 U.S.C. 3332 (Section 3332). Section 3332 generally requires that all Federal payments, other than tax payments, be made by electronic funds transfer (EFT), unless waived by the Secretary of the Treasury. Direct deposit is the primary method used to make EFT Federal payments to individuals.

Part 208 requires recipients of Federal payments, other than tax payments, to receive payment by EFT, effective May 1, 2011. The effective date is delayed until March 1, 2013, for individuals receiving Federal payments by check on May 1, 2011; and for individuals who file claims for Federal benefits before May 1, 2011 and request check payments when they file. Individuals who do not choose direct deposit of their payments to an account at a financial institution will be enrolled in the Direct Express® Debit MasterCard® card¹ program, a prepaid card program established pursuant to terms and conditions approved by FMS. Treasury waives the EFT requirement for recipients born prior to May 1, 1921, who are receiving payments by paper check on March 1, 2013; for payments not eligible for deposit to a Direct Express® prepaid card account; and for recipients whose Direct Express® card has been suspended or cancelled. In addition, payment recipients may request a waiver if the EFT requirement creates a hardship due to his or her mental impairment or remote geographic location.

The proposed amendments to this system are necessary to process waivers of the EFT requirement. In some cases, FMS automatically applies the waivers based on information FMS will receive into its system of records from its own existing payment records, direct deposit enrollment records of its fiscal or financial agents and their contractors, or from Federal agencies. For example, FMS will receive information about a check payment recipient's date of birth from the Social Security Administration
