In particular, the extension of time will ensure that the Commission has sufficient time to consider and take action on the Exchange's proposal, which will be part of a comprehensive set of proposals, including, but not limited to, the establishment of new trading rules and a BATS official closing price for securities primarily listed on BATS.

Accordingly, pursuant to Section 19(b)(2)(A)(ii)(I) of the Act⁵ and for the reasons stated above, the Commission designates August 30, 2011, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change File No. SR-BATS-2011-018.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64896; File No. SR-BX-2011-045]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing of Proposed Rule Change Requesting Permanent Approval of Pilot Program To Permit BOX To Accept Inbound Routes by NOS

July 15, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 13, 2011, NASDAQ OMX BX, Inc. ("BX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to request permanent approval of the Exchange's pilot program to permit the Boston Options Exchange ("BOX") to accept inbound routes by NASDAQ Options

Services, LLC ("NOS") of Nasdaq Options Market ("NOM") Exchange Direct Orders without checking the NOM book and 2) NOM non-System securities, including Exchange Direct Orders.³

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/NASDAQOMXPHLX/Filings/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, NOS is the approved outbound routing facility of the NASDAQ Stock Market (the "NASDAQ Exchange") for NOM, providing outbound routing from NOM to other market centers.⁴ The Exchange and the

³ Pursuant to Chapter VI, Section 1(b) of the NOM rules, "System Securities" are all options that are currently trading on NOM pursuant to Chapter IV of the NOM rules. All other options are "Non-System Securities." [sic] Chapter VI, Section 1(e)(7) of the NOM Rules, Exchange Direct Orders are orders that route directly to other Options Markets on an immediate-or-cancel basis without checking the NOM book for liquidity.

⁴ NOM Rule Chapter VI, Section 11(c). Under NOM Rule Chapter VI, Section 11(c): (1) NOM routes orders in options via NOS, which serves as the sole "routing facility" of NOM; (2) the sole function of the routing facility is to route orders in options to away markets pursuant to NOM rules, solely on behalf of NOM; (3) NOS is a member of an unaffiliated self-regulatory organization, which is the designated examining authority for the broker-dealer; (4) the routing facility is subject to regulation as a facility of the NASDAQ Exchange, including the requirement to file proposed rule changes under Section 19 of the Act; (5) use of NOS to route order to other market centers is optional; (6) NOM must establish and maintain procedures and internal controls reasonably designed to adequately restrict the flow of confidential and proprietary information between the NASDAQ Exchange and its facilities (including the routing facility), and any other entity; and (7) the books, records, premises, officers, directors, agents, and

NASDAQ Exchange have previously adopted rules to permit BOX to receive inbound routes of certain option orders, specifically (1) Exchange Direct Orders without checking the NOM book prior to routing, and (2) NOM non-system securities, by NOS on a pilot basis.⁵ The Exchange specifically has adopted a rule to prevent potential information advantages resulting from the affiliation between BOX and NOS, as related to NOS's authority to route orders from NOM to BOX.⁶ NOS's authority to route these orders to BOX is subject to a pilot period ending on August 16, 2011.⁷ The Exchange hereby seeks permanent approval to permit BOX to accept inbound routes of (1) Exchange Direct Orders without checking the NOM book and (2) NOM non-System securities, including Exchange Direct Orders that NOS routes from NOM.

Pursuant to prior rule filings with the Commission, BOX and NOS inbound routing relationship with respect to certain orders has operated on a pilot basis. In connection with this pilot program, BX committed to the following:

1. The Exchange and FINRA would enter into a regulatory services agreement ("Regulatory Contract") pursuant to which FINRA has been allocated regulatory responsibilities to review NOS's compliance with BOX's rules through FINRA's examination program.⁸ The Exchange, however, retained ultimate responsibility for enforcing its rules with respect to NOS except to the extent that they are covered by an agreement with FINRA pursuant to Rule 17d-2⁹ under the Act ("17d-2 Agreement"), in which case the regulatory responsibility is allocated to FINRA as provided in Rule 17d-2(d).

2. The Exchange and FINRA would monitor NOS for compliance with the

employees of the routing facility, as a facility of the NASDAQ Exchange, shall be subject at all times to inspection and copying by the NASDAQ Exchange and the Commission.

⁷ See Securities Exchange Act Release No. 64530 (May 20, 2011), 76 FR 30746 (May 26, 2011) (SR-BX-2011-027).

⁸ The Exchange also states that NOS is subject to independent oversight by FINRA, its Designated Examining Authority, for compliance with financial responsibility requirements. See Securities Exchange Act Release No. 60349 (July 20, 2009), 74 FR 37071 (July 27, 2009) (SR-BX-2009-035).

BOX's trading rules, and collect and maintain certain related information;¹⁰

3. FINRA has agreed to provide a report to the BOXR's Chief Regulatory Officer, on at least a quarterly basis, that: (i) Quantifies all alerts (of which the Exchange and FINRA become aware) that identify NOS as a participant that has potentially violated Commission or Exchange rules and (ii) quantifies the number of investigations that identify NOS as a participant that has potentially violated Commission or Exchange rules;¹¹

4. BX adopted Chapter XXXIX, Section 2(c) of the Grandfathered Rules of the Exchange, which requires NASDAQ OMX, as the holding company owning NOS and affiliated with BOX through the ownership of the Exchange, to establish and maintain procedures and internal controls reasonably designed to ensure that NOS does not develop or implement changes to its system on the basis of non-public information regarding planned changes to BOX's systems, obtained as a result of its affiliation with BOX, until such information is available generally to similarly situated BOX participants, in connection with the provision of inbound order routing to BOX;¹² and

5. The Exchange proposed that NOS be authorized to route Exchange Direct Orders without checking the NOM book; and orders in NOM non-system securities inbound to the Exchange from NOM for a pilot period of twelve months, as further extended to August 16, 2011.¹³

The Exchange has met all the above-listed conditions. By meeting the above-conditions, the Exchange has set up mechanisms that protect the independence of the Exchange's regulatory responsibility with respect to NOS, as well as demonstrate that NOS cannot use any information advantage it may have because of its affiliation with the Exchange and BOX. Since the Exchange has met all the above-listed conditions, it now seeks permanent approval of the BOX and NOS inbound routing relationship. The Exchange will

¹⁰ Pursuant to the Regulatory Contract, both FINRA and the Exchange will collect and maintain all alerts, complaints, investigations and enforcement actions in which NOS (in routing orders to BOX) is identified as a participant that has potentially violated applicable Commission or Exchange rules. The Exchange and FINRA will retain these records in an easily accessible manner in order to facilitate any potential review conducted by the Commission's Office of Compliance Inspections and Examinations.

continue to comply with the conditions 1–4 stated above.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹⁴ in general, and with Section 6(b)(5) of the Act,¹⁵ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, the proposed rule change would permit inbound routing of orders from NOM to BOX through NOS in a manner consistent with prior approvals and established protections. The Exchange believes that having met the commitments established during the pilot program demonstrates that the Exchange has mechanisms that protect the independence of the Exchange's regulatory responsibility with respect to NOS, as well as demonstrate that NOS cannot use any information advantage it may have because of its affiliation with the Exchange and BOX.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission shall: (a) By order

approve or disapprove such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.
