

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6) thereunder.¹⁸

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹⁹ However, Rule 19b-4(f)(6)(iii)²⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange notes that waiving the 30-day operative delay will allow Arca Securities to comply with Rule 15c3-5 under the Act by July 14, 2011;²¹ the compliance date for Rule 15c3-5. For this reason, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and designates the proposed rule change to be operative upon filing with the Commission.²²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64910; File No. SR-BATS-2011-021]

Self-Regulatory Organizations; BATS Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Make Certain Changes Consistent With the Upcoming Implementation of the Market Access Rule

July 18, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 12, 2011, BATS Exchange, Inc. ("BATS" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend BATS Rules 11.13 and 21.9 to make certain changes consistent with the upcoming implementation of the adoption of Rule 15c3-5 under the Act (the "Market Access Rule").⁵

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On November 3, 2010, the Commission adopted the Market Access Rule,⁶ pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial, regulatory, and other risks associated with providing its customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for the Market Access Rule, the Exchange is proposing to amend BATS Rules 11.13 and 21.9 to describe the manner in which the Exchange's affiliated routing broker-dealer, BATS Trading, Inc. ("BATS Trading") will handle routable orders consistent with the Market Access Rule.

In order to comply with the Market Access Rule, BATS Trading proposes to implement, certain tests, on both an order-by-order basis and over a short period of time, that are designed to limit the financial exposure that could arise as a result of market access and to ensure compliance with all regulatory requirements that are applicable in connection with market access. Consistent with the requirements of the Market Access Rule, these tests are designed to reject orders that BATS Trading deems to be erroneous or duplicative, would cause the entering Member's credit exposure to exceed a preset credit threshold, or are non-compliant with applicable pre-trade regulatory requirements (as defined in the Market Access Rule). To the extent BATS Trading determines, based on its procedures, that an order should be rejected, BATS Trading may also seek to cancel orders that have already been routed away.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁷ In particular, the proposed change is consistent with Section 6(b)(5) of the

Act,⁸ because it would promote just and equitable principles of trade, and, in general, protect investors and the public interest. The proposed rule is consistent with the requirements of the Act because the change is necessary for the Exchange's affiliated broker-dealer, BATS Trading, to comply with the Market Access Rule. The Exchange also believes that the proposed changes will benefit Members of the Exchange because it provides clarity on the procedures employed by BATS Trading consistent with the Market Access Rule.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Changes and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange notes that waiving the 30-day operative delay will allow BATS Trading to

comply with Rule 15c3-5 under the Act by July 14, 2011;¹³ the compliance date for Rule 15c3-5. For this reason, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and designates the proposed rule change to be operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-BATS-2011-021 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File No. SR-BATS-2011-021. This file number should be included on the subject line if e-mail is used. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64907; File No. SR-NYSEAmex-2011-53]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE Amex Options Rule 993NY To Make Changes Necessary To Allow Its Routing Broker To Operate Consistent With the Requirements of Rule 15c3-5 Under the Securities Exchange Act of 1934

July 18, 2011.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that July 13, 2011, NYSE Amex LLC ("NYSE Amex" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Amex Options Rule 993NY to make changes necessary to allow its

Routing Broker to operate consistent with the requirements of Rule 15c3-5 under the Securities Exchange Act of 1934 ("Act").⁴ The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Amex Options Rule 993NY to permit its Routing Broker to operate consistent with the requirements of SEC Rule 15c3-5.⁵ Specifically, the proposed rule change would allow the Routing Broker, in its sole discretion, to reject orders pursuant to risk management controls and supervisory procedures maintained by the Routing Broker pursuant to SEC Rule 15c3-5. The Exchange is proposing substantially similar rule changes for its equities market, and the Exchange's affiliates, New York Stock Exchange LLC ("NYSE") and NYSE Arca, Inc. ("NYSE Arca"), also are proposing substantially similar rule changes.⁶

Archipelago Securities LLC ("Arca Securities") currently is the primary outbound Routing Broker for the Exchange. The outbound routing function for the Exchange is governed by NYSE Amex Options Rule 993NY. NYSE Amex Options Rule 993NY(a)(1) currently provides that the Routing Broker cannot change the terms of an

order or the routing instructions, nor can it exercise any discretion about where to route an order.

On November 3, 2010, the Commission adopted SEC Rule 15c3-5,⁷ pursuant to which, among other things, broker-dealers providing market access are required to implement certain pre-order entry checks in order to manage the financial, regulatory, and other risks associated with providing their customers with market access. In anticipation of the upcoming July 14, 2011 compliance date for SEC Rule 15c3-5, the Exchange is proposing to amend NYSE Amex Options Rule 993NY to describe the manner in which the Routing Broker will handle routable orders consistent with SEC Rule 15c3-5.⁸

Specifically, the Exchange proposes to adopt NYSE Amex Options Rule 993NY(a)(1)(B) to provide that, in the Routing Broker's sole discretion, pursuant to risk management controls and supervisory procedures maintained by the Routing Broker pursuant to SEC Rule 15c3-5, the Routing Broker may reject any order or series of orders as necessary to manage the financial, regulatory, and other risks of the Routing Brokers(s) providing "market access," as that term is defined in SEC Rule 15c3-5(a)(1).⁹ The Routing Broker's policies and procedures for compliance with SEC Rule 15c3-5 will address two circumstances: (1) When the Routing Broker routes orders on behalf of the Exchange for the purpose of accessing other trading centers with protected quotations in compliance with Rule 611 of Regulation NMS under the Act¹⁰ for "NMS stocks" (as that term is defined in Rule 600 of Regulation NMS),¹¹ or in compliance with a national market system plan for listed options ("exempt orders"); and (2) when the Routing Broker routes orders on behalf of the Exchange for any other purpose, including pursuant to the terms of an order type adopted by the Exchange or pursuant to a routing strategy through which the Routing Broker routes orders to market centers that are not posting "protected
