SUPPLEMENTARY INFORMATION:

Subject of Challenge Competition

Entrants are asked to develop software applications (apps) that utilize the wide array of health-related data made available by the NCI DCCPS and other Federal agencies for innovative consumer health apps; these apps should potentially integrate with existing technology platforms and address targets comprising DCCPS priority areas on the continuum of cancer prevention and control: <http://cancercontrol.cancer.gov/od/index.html>. Entrants are required to address challenges faced by consumers, clinicians, or researchers such as behavior risk reduction for prevention/survivorship (e.g., nutrition, physical activity, smoking cessation), early detection and screening, informed decision-making, and adherence to treatment regimens.

Eligibility Rules for Participating in the Competition

To be eligible to win a prize under this challenge, an individual or entity shall have complied with all the requirements under this section.

An individual or entity shall not be deemed ineligible because the individual or entity used Federal facilities or consulted with Federal employees during a competition if the facilities and employees are made available to all individuals and entities participating in the competition on an equitable basis.

This Challenge is open to any Contestant, defined as (1) an individual or team of U.S. citizens or permanent residents of the United States who are 13 years of age and over (with the permission of a parent/guardian if under 18 years of age), or (2) an entity
