The package reclamation service that is the subject of this **Federal Register** Notice is being added for performance at distribution centers that are organic to DLA Distribution. In 2010, the Defense Distribution Center (DDC) was renamed DLA Distribution. A process was also initiated, by which the remaining depots under its control, would undergo a similar name change. Eventually, each distribution center that was part of the former DDC will be renamed as DLA Distribution, plus its location name. The missions of DLA Distribution and its various

depots remained essentially unchanged. DLA Distribution, Office of Procurement, 2001 Mission Drive, New Cumberland, PA 17070 is the contracting activity of record for the IDIQ contract under which the Package Reclamation Service will be offered. The Board is a non-discretionary Federal advisory committee that shall serve as an independent adviser to the Secretary of Defense to provide advice and recommendations on strategies, policies, and practices designed to improve and enhance the capabilities, efficiency, and effectiveness of the reserve components. The Board may act on those matters referred to it by the Chairman and or any matter raised by a member of the Board or the Secretary of Defense.
