and RI 38-147**

**AGENCY:** U.S. Office of Personnel  
Management.

**ACTION:** 60-Day Notice and request for  
comments.

**SUMMARY:** The Retirement Services,  
Office of Personnel Management (OPM)  
offers the general public and other  
Federal agencies the opportunity to  
comment on an extension, without  
change, of a currently approved  
information collection request (ICR)  
3206-0197, Verification of Who is  
Getting Payments. As required by the  
Paperwork Reduction Act of 1995, (Pub.  
L. 104-13, 44 U.S.C. chapter 35) as  
amended by the Clinger-Cohen Act  
(Pub. L. 104-106), OPM is soliciting  
comments for this collection. The Office  
of Management and Budget is  
particularly interested in comments  
that:

1. Evaluate whether the proposed  
collection of information is necessary  
for the proper performance of functions  
of the agency, including whether the  
information will have practical utility;

2. Evaluate the accuracy of the  
agency's estimate of the burden of the  
proposed collection of information,  
including the validity of the  
methodology and assumptions used;

3. Enhance the quality, utility, and  
clarity of the information to be  
collected; and

4. Minimize the burden of the  
collection of information on those who  
are to respond, including through the  
use of appropriate automated,  
electronic, mechanical, or other  
technological collection techniques or  
other forms of information technology,  
e.g., permitting electronic submissions  
of responses.

**DATES:** Comments are encouraged and  
will be accepted until September 20,  
2011. This process is conducted in

**SUPPLEMENTARY INFORMATION:** RI 38-107,  
Verification of Who is Getting  
Payments, is designed for use by the  
Retirement Inspection Branch when  
OPM, for any reason, must verify that  
the entitled person is indeed receiving  
the monies payable. RI 38-147,  
Verification of Who is Getting  
Payments, collects the same information  
and is used by other groups within  
Retirement Operations. Failure to  
collect this information would cause  
OPM to pay monies absent the  
assurance of a correct payee.

**SUPPLEMENTARY INFORMATION:** USAJOBS  
is the official Federal Government  
source for Federal jobs and employment  
information. The Applicant Profile and  
Resume Builder are two components of  
the USAJOBS application system.  
USAJOBS reflects the minimal critical  
elements collected across the Federal  
Government to assess an applicant's  
qualifications for Federal jobs under the  
authority of sections 1104, 1302, 3301,

3304, 3320, 3361, 3393, and 3394 of title 5, United States Code. This revision proposes to in part, permit the migration of USAJOBS to a new platform. In addition, this revision proposes to:

(A.) Discontinue the use of the Application for Federal Employment Optional Form 612. This action is being taken to facilitate a more seamless employment application process for both Federal agencies and job seekers, consistent with the goals of Federal hiring reform.

(B.) Revise the collection of Demographic Information on Applicants by removing the sourcing question "How did you learn about this position?" along with the pre-populated answer choices provided for this question.

(C.) Add basic eligibility questions to the Applicant Profile as well as optional questions to the Applicant Profile in USAJOBS that will allow applicants to self-identify (subject to subsequent verification by the appointing agency) as eligible for certain special hiring authorities. This is expected to streamline some hiring actions by allowing agencies to search for resumes of applicants who have volunteered information about their eligibility under special hiring authorities. Information volunteered by applicants about their potential eligibility under one or more special hiring authorities will be stored in USAJOBS and will only become visible to agencies that are considering filling a job using a special hiring authority. In that case, the hiring agency will be able to search USAJOBS for potential applicants who have chosen to indicate that they believe they are eligible to be selected under the special authority the agency seeks to use.

Applicants who do not choose to use this opportunity to volunteer information about their eligibility under a special hiring authority may still choose to apply for jobs, as they are announced, under any of these special hiring authorities for which they are eligible. If applicants volunteer to provide information through the Web site about the special hiring authorities for which they believe they are eligible, then agencies that are searching for potential applicants to hire under one of these authorities may be able to locate their resume through USAJOBS and invite them to apply. Otherwise, this information will be retained in the USAJOBS database and not disclosed.

We estimate it will take approximately 38 minutes to initially complete the Resume Builder, depending on the amount of information the applicant wishes to include, and approximately five

minutes to initially complete the Applicant Profile. We estimate over 3,500,000 new USAJOBS accounts will be submitted annually. The total annual estimated burden is 2,508,333 hours.
