reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons. If not sold, the lands described in this notice may be identified for sale at a later date without further legal notice.

Federal law requires that bidders must be (1) United States citizens 18 years of age or older; (2) a corporation subject to the laws of any State or of the United States; (3) an entity including, but not limited to associations or partnerships capable of acquiring and owning real property, or interests therein, under the laws of the State of Nevada; or (4) a State, State instrumentality, or political subdivision authorized to hold real property. U.S. citizenship is evidenced by presenting a birth certificate, passport, or naturalization papers. In addition, the Act requires that bidders must be certified by Carson City Consolidated Municipality, Nevada, that they have agreed to comply with city zoning ordinances and any master plan for the area approved by the City.

In order to determine the appraised value of the lands proposed for sale, certain assumptions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government. It is the buyer’s responsibility to be aware of all applicable Federal, State, or local government laws, regulations, or policies that may affect the subject lands or its future uses. It is also the buyer’s responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Any lands lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Only written comments will be considered properly filed. Before including your address, phone number, e-mail address, or other personal identifying information in your comment—you should be aware that your entire comment, including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from the public review, we cannot guarantee that we will be able to do so.

Any adverse comments regarding the proposed sales will be reviewed by the BLM Nevada State Director, who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior.

Authority: 43 CFR Part 2711.
