**Federal Aviation Administration**

**Notice of Intent To Prepare an Environmental Assessment, Notice of Public Meetings, and Notice To Request Public Scoping Comments for the Air Tour Management Plan Program at Golden Gate National Recreation Area, San Francisco Maritime National Historical Park and Point Reyes National Seashore**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of Intent to Prepare an Environmental Assessment, Notice of Public Meetings, and Notice to Request Public Scoping Comments.

The FAA, with the National Park Service (NPS) as a cooperating agency, has initiated development of Air Tour Management Plans (ATMPs) for Golden Gate National Recreation Area (GGNRA) and Point Reyes National Seashore (the Seashore). The ATMP for GGNRA will include Muir Woods National Monument and Fort Point National Historic Site, both directly managed by GGNRA, and the San Francisco Maritime National Historical Park (SF Maritime NHP), an independently managed national park unit adjacent to GGNRA.

The ATMPs are being developed pursuant to the National Parks Air Tour Management Act (NPATMA) of 2000 (Pub. L. 106-181) and its implementing regulations (14 Code of Federal Regulation [CFR] Part 136, Subpart B, *National Parks Air Tour Management*). Per section 40128(b)(1)(B) of NPATMA, the objective of an ATMP shall be to develop acceptable and effective measures to mitigate or prevent significant adverse impacts, if any, of commercial air tour operations upon the natural and cultural resources, visitor experiences and tribal lands within or abutting GGNRA and the Seashore. It should be noted that an ATMP has no authorization over other non-air-tour operations such as military and general aviation. In compliance with the National Environmental Policy Act of 1969 (NEPA) and FAA Order 1050.1E, an Environmental Assessment (EA) is being prepared.

The FAA has granted Interim Operating Authority (IOA) to two commercial air tour operators to conduct air tours over GGNRA, SF Maritime NHP, and the Seashore. The FAA and NPS are now inviting the public, agencies, tribes, and other interested parties to provide comments, suggestions, and input on the scope of issues and range of alternatives to be addressed in the environmental process.

The FAA and NPS are also hosting public scoping meetings to inform the public and other interested parties about the ATMP program and to provide the opportunity for comments.

**DATES:** By this notice, the FAA is requesting comments on the scope of the EA for the individual ATMPs at GGNRA and SF Maritime NHP, and the

Seashore. Comments must be submitted by September 28, 2011.

**Meetings:** The meetings will be held at the following location, dates, and times: August 16, 2011: 4:30-6:30 p.m.

GGNRA Headquarters, Fort Mason Building 201, San Francisco, CA.  
August 17, 2011: 4:30-6:30 p.m.  
Bay Model Visitor Center, 2100 Bridgeway, Sausalito, CA.
