

exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

Any party submitting factual information in an antidumping duty or countervailing duty proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all segments of any antidumping duty or countervailing duty proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) (*Interim Final Rule*), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in any proceeding segments initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

These initiations and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: July 22, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Fresh Garlic From the People's Republic of China: Extension of Time Limit for the Final Results of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* July 28, 2011.

FOR FURTHER INFORMATION CONTACT: Jacqueline Arrowsmith, Milton Koch, and Justin Neuman, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-5255, (202) 482-2584, and (202) 482-0486, respectively.

Background

On May 3, 2011, the Department of Commerce (the Department) issued the preliminary intent to rescind the new shipper reviews of fresh garlic from the People's Republic of China for Jining Yifa Garlic Produce Co., Ltd. and Shenzhen Bainong Co., Ltd. for the period of review (POR) November 1, 2009, through April 30, 2010, and Yantai Jinyan Trading Inc. for the POR November 1, 2009, through May 31, 2010.

See *Fresh Garlic From the People's Republic of China: Preliminary Intent To Rescind New Shipper Reviews*, 76 FR 24857 (May 3, 2011) (*Preliminary Intent to Rescind*).

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1), provide that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, the Department may extend the 180-day period to 300 days, and may extend the 90-day period to 150 days. See 19 CFR 351.214(i)(2).

Extension of Time Limit for Final Results

The Department determines that these new shipper reviews involve extraordinarily complicated issues. In

particular, since the *Preliminary Intent to Rescind*, the Department has solicited and received additional information regarding the *bona fides* of the new shippers' sales. The Department needs additional time to analyze this new information and to consider the parties' arguments with regard to the *bona fides* of the sales under review. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the final results from 90 days to 111 days. Thus, the final results will now be due no later than August 15, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i)(I) of the Act.

Dated: July 22, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XA603

Endangered Species; File No. 15802

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application.

SUMMARY: Notice is hereby given that Florida Fish and Wildlife Conservation Commission, 100 Eighth Avenue, SE, St. Petersburg, FL 33701 [Gregg Poulakis, Responsible Party], has applied in due form for a permit to take smalltooth sawfish and listed sea turtle species for purposes of scientific research.

DATES: Written, telefaxed, or e-mail comments must be received on or before August 29, 2011.

ADDRESSES: The application and related documents are available for review by selecting "Records Open for Public Comment" from the *Features* box on the Applications and Permits for Protected Species (APPS) home page, <https://apps.nmfs.noaa.gov>, and then selecting File No. 15802 from the list of available applications.

These documents are also available upon written request or by appointment in the following offices:

Permits, Conservation and Education Division, Office of Protected Resources, NMFS, 1315 East-West Highway, Room 13705, Silver Spring, MD 20910; phone (301) 427-8401; fax (301) 713-0376; and

Southeast Region, NMFS, 263 13th Avenue South, Saint Petersburg, Florida 33701; phone (727) 824-5312; fax (727) 824-5309.

Written comments on this application should be submitted to the Chief, Permits, Conservation and Education Division

- By e-mail to NMFS.Pr1Comments@noaa.gov (include the File No. in the subject line of the e-mail),

- By facsimile to (301) 713-0376, or
- At the address listed above.

Those individuals requesting a public hearing should submit a written request to the Chief, Permits, Conservation and Education Division at the address listed above. The request should set forth the specific reasons why a hearing on this application would be appropriate.

FOR FURTHER INFORMATION CONTACT: Jennifer Skidmore or Colette Cairns, (301) 427-8401.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*) and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR 222-226).

The applicant proposes to monitor smalltooth sawfish (*Pristis pectinata*) populations of Florida, primarily in the greater Charlotte Harbor estuarine system. Annually, up to 125 sawfish would be captured by gillnet, seine, or longline, handled, measured, passive integrated transponder, roto, and external satellite tagged, tissue and biopsy sampled, examined by ultrasound, and released. Dead sawfish acquired through strandings or from law enforcement confiscations would be sampled for scientific purposes. The applicant also seeks authorization to capture green (*Chelonia mydas*), hawksbill (*Eretmochelys imbricata*), Kemp's ridley (*Lepidochelys kempii*), leatherback (*Dermochelys coriacea*), and loggerhead (*Caretta caretta*) sea turtles. Sea turtles would be measured, photographed, and released. The permit is requested for a duration of 5 years.

Dated: July 22, 2011.

P. Michael Payne,

Chief, Permits, Conservation and Education Division, Office of Protected Resources, National Marine Fisheries Service.

Fisheries of the Caribbean; Southeastern Data, Assessment, and Review (SEDAR); Assessment Webinars for SEDAR 26 Caribbean Silk Snapper, Queen Snapper, and Redtail Parrotfish

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of SEDAR 26 Caribbean silk snapper, queen snapper, and redtail parrotfish assessment webinars.

SUMMARY: The SEDAR 26 assessments of the Caribbean stocks of silk snapper, queen snapper, and redtail parrotfish will consist of a series of workshops and webinars: a Data Workshop, an Assessment workshop, a series of Assessment webinars, and a Review Workshop. See **SUPPLEMENTARY INFORMATION**.

DATES: The SEDAR 26 Assessment webinars will be held on Thursday, August 25, 2011 from 1 p.m. to 4 p.m. (EST) and Tuesday, September 20, 2011 from 1 p.m. to 4 p.m. (EST). The established times may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from, or completed prior to the time established by this notice.

ADDRESSES: The meeting will be held via webinar. The webinar is open to members of the public. Those interested in participating should contact Julie Neer at SEDAR (See **FOR FURTHER INFORMATION CONTACT**) to request an invitation providing webinar access information.

FOR FURTHER INFORMATION CONTACT: Julie A. Neer, SEDAR Coordinator, 4055 Faber Place, Suite 201, North Charleston, SC 29405; telephone: (843) 571-4366; e-mail: Julie.neer@safmc.net.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three-step process including: (1) Data Workshop, (2) Assessment Process

utilizing a workshop and webinars and (3) Review Workshop. The product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting Panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

SEDAR 26 Assessment webinars:

Using datasets recommended from the Data Workshop, participants will employ assessment models to evaluate stock status, estimate population benchmarks and management criteria, and project future conditions. Participants will recommend the most appropriate methods and configurations for determining stock status and estimating population parameters.

Meeting Schedule

August 25, 2011 from 1 p.m. to 4 p.m. (EST)

September 20, 2011 from 1 p.m. to 4 p.m. (EST)

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the SEDAR office (see **ADDRESSES**) at least 5 business days prior to the meetings.

Dated: July 25, 2011.

Tracey L. Thompson,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
