ADDRESSES: The location for the forums is Social Security Administration, One Skyline Tower, 5107 Leesburg Pike, Falls Church, VA 22041.

Comments: We have scheduled public forums on August 17, 2011 and September 20, 2011 as part of our Section 504 Self-Evaluation. The purpose of the public forums is to help us evaluate the current level of accessibility of our programs, activities, and facilities and to gather comments for ways that we might improve accessibility. We will focus on a number of topics at each public forum as part of this self-evaluation, and interested persons will have an opportunity to express their views. We are particularly interested in comments from persons with disabilities, their family members, and those who work with, or advocate for, persons with disabilities. Space is limited; therefore, we encourage all organizations and individuals who wish to attend the public forums or provide comments via telephone to register in advance using our online registration form at <http://www.socialsecurity.gov/accessibility/section504> or by calling the Section 504 Information Line at 1-877-794-7395 (Voice) or 1-800-325-0778 (TTY) at least ten business days before the public forum date.

While the public is invited, only those who register in advance and receive schedule confirmation will be permitted to provide input. Organizations should designate no more than one person to comment on their behalf. Organizations or individuals may comment in person, by telephone, or by telephone relay service. Prior to the forum, we will try to tell each interested individual the approximate time when he or she can comment during the public forum. Those who register to comment by telephone or telephone relay service should be available at the telephone or TTY number they provide during registration at least one-half hour before their scheduled time to comment.

We will limit comments to five minutes per person or organization. Commenters may supplement their comments with written statements that will become part of the official public forum record. If we determine that there is not enough time to hear from all those wishing to present comments, we will select among those wishing to testify to ensure representation of a range of viewpoints and interests.

Registration: We encourage all organizations and individuals who wish

to attend the public forums or provide comments via telephone to register in advance using our online registration form at <http://www.socialsecurity.gov/accessibility/section504> or by calling the Section 504 Information Line at 1-877-794-7395 (voice) or 1-800-325-0778 (TTY) at least ten business days before the public forum date.
