Notice of Submission of Proposed Information Collection to OMB; Assessment of Native American, Alaska Native, and Native Hawaiian Housing Needs

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The goals of the proposed study are to provide clear, credible, and consistent information describing the needs of the Native American, Alaska Native, and Native Hawaiian populations with respect to both their housing conditions and socio-economic situations. The proposed data collection and analyses will be used to inform policy in ways that enable Tribes to more effectively use resources to improve housing

conditions. UI performed a similar assessment in 1996, prior to the passage of the Native American Housing Assistance and Self-Determination Act (NAHASDA) of 1996 that fundamentally changed the way Federal funding is delivered to Tribal people. Issues surrounding the changes NAHASDA introduced also are a key part of the proposed study.
