SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), on July 26, 2011, the Commission received a petition for review of the Postal Service's determination to close the post office in Innis, Louisiana. The petition was filed by Larry Rebalais (Petitioner) and is postmarked July 19, 2011. The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and establishes Docket No. A2011-34 to consider Petitioner's appeal. If Petitioner would like to further explain his position with supplemental information or facts, Petitioner may either file a Participant Statement on PRC Form 61 or file a brief with the Commission no later than August 30, 2011.

Categories of issues apparently raised. Petitioner contends that: (1) The Postal Service failed to consider the effect of the closing on the community (see 39 U.S.C. 404(d)(2)(A)(i)); and (2) the Postal Service failed to adequately consider the economic savings resulting from the closure (see 39 U.S.C. 404(d)(2)(A)(iv)).

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service's determination disposes of one or more of those issues. POSTAL REGULATORY COMMISSION

[Docket No. N2011-1; Order No. 778]

Postal Service Initiative on Retail Postal Locations

AGENCY: Postal Regulatory Commission.
ACTION: Notice.

SUMMARY: The Commission is noticing a recently-filed Postal Service request for an advisory opinion on an initiative involving examination of the continuation of service at postal retail locations. This document invites public comments on the request and addresses several related procedural steps.

DATES: *Notices of intervention are due:* August 19, 2011. See the Procedural Schedule in the **SUPPLEMENTARY INFORMATION** section for other dates of interest.

ADDRESSES: Submit comments electronically by accessing the "Filing Online" link in the banner at the top of the Commission's Web site (<http://www.prc.gov>) or by directly accessing the Commission's Filing Online system at <http://www.prc.gov/prc-pages/filing-online/login.aspx>. Commenters who cannot submit their views electronically should contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section as the source for case-related information for advice on alternatives to electronic filing.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, at 202-789-6820 (case-related information) or DocketAdmins@prc.gov (electronic filing assistance).

SUPPLEMENTARY INFORMATION: On July 27, 2011, the United States Postal Service (Postal Service) filed a request with the Postal Regulatory Commission (Commission) for an advisory opinion under 39 U.S.C. 3661 regarding use of a centrally directed Retail Access Optimization (RAO) initiative for examining the continuation of service at approximately 3,650 postal retail locations.¹

Jurisdiction. The Postal Service contends that in its present form, the RAO initiative "could be at least 'substantially nationwide,' within the meaning of 39 U.S.C. 3661(b)." *Id.* at 2. The Postal Service states that if it determines any facilities should be closed, postal patrons would have to obtain services at a different postal facility or alternate access channel. *Id.* The Postal Service asks the Commission to consider whether it has jurisdiction to offer an advisory opinion on the RAO initiative, and if so, to render it. *Id.*

The RAO initiative applies to postal retail facilities across the country, without limit to geography or population, and is driven by Headquarters. The Commission finds that because the Postal Service's RAO initiative appears to encompass a Headquarters' mandated, systemwide review of postal retail facilities, similar to the review of station and branch discontinuation in Docket No. N2009-1, a Commission advisory opinion pursuant to 39 U.S.C. 3661 is appropriate.

Request. The Request is accompanied by testimony from one witness, James J. Boldt (USPS-T-1), and five library

references (two of which are non-public).²

Witness Boldt is identified as the National Manager, Customer Service Operations, in the Office of Delivery and Post Office Operations at Postal Service Headquarters. USPS-T-1 at i. Witness Boldt's office is described as having primary responsibility for developing policies and procedures relating to the day-to-day operations of post offices, opening or closing of those facilities, and improving customer experience. *Id.*

Witness Boldt's testimony describes the current state of the Postal Service's retail network, including alternative access channels and underlying trends. *Id.* at 2-10. The testimony also describes the RAO initiative as a systemwide approach to the decline in demand for retail services and the widespread availability of alternative access channels. *Id.* at 13-14. The testimony indicates that the Postal Service will evaluate postal offices with low workload, stations and branches with insufficient demand and available alternate access, and retail annexes with insufficient demand and available alternate access. *Id.* at 14-16.

The Postal Service intends to make use of the new "USPS Handbook PO-101" that reflects recent rules promulgated by the Postal Service concerning the methods to close or consolidate postal retail facilities.³ *Id.* at 17-18. Finally, the testimony explains how the Postal Service's new rules work
