INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–856; Second Review]

Ammonium Nitrate From Russia

Determination

On the basis of the record 1 developed in the subject five-year review, the United States International Trade Commission (Commission) determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)), that revocation of the antidumping duty order on ammonium nitrate from Russia would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted this review on March 1, 2011 (76 FR 11273) and determined on June 6, 2011 that it would conduct an expedited review (76 FR 34749, June 14, 2011). The Commission transmitted its determination in this review to the Secretary of Commerce on July 29, 2011. The views of the Commission are contained in USITC Publication 4249 (August 2011), entitled Ammonium Nitrate from Russia: Investigation No. 731–TA–856 (Second Review).

By order of the Commission.

Issued: July 29, 2011.

Background

1 The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR § 207.2(f)).
The Department determines that completion of the preliminary results of this review within the statutory time period is not practicable. The Department requires more time to gather and analyze surrogate value information, and to review questionnaire responses and issue supplemental questionnaires. Therefore, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), we are extending the time period for issuing the preliminary results of review by 120 days until January 3, 2012. ² The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: July 29, 2011.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

² 120 days from September 2, 2011, is Saturday, December 31, 2011. Monday, January 2, 2012, is designated as a federal holiday. Department practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930. As Amended, 70 FR 42933 (May 10, 2005).
