**Partial Rescission of Review**

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review. Parties withdrew their review requests with respect to four exporters of subject merchandise within the 90-day deadline, in accordance with 19 CFR 351.213(d)(1).

Therefore, in accordance with section 351.213(d)(1) of the Department's regulations, we are partially rescinding this review with respect to the following companies: (1) Agifish; (2) Nam Viet; (3) Nam Viet Corporation; and (4) SAMEFICO. **Assessment Rates**

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate from a prior segment of this proceeding, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). Accordingly, the Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice for Agifish, SAMEFICO, and Cadovimex II.

The Department cannot order liquidation for companies which, although they are no longer under review as a separate entity, may still be under review as part of the Vietnam-wide entity. Therefore, the Department cannot, at this time, order liquidation of entries for the following companies: Nam Viet and Nam Viet Corporation. The Department intends to issue liquidation instructions for the Vietnam-wide entities 15 days after publication of the final results of this review.

**Notification to Importers**

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification Regarding Administrative Protective Orders (“APO”)**

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues

to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

On April 27, 2011, the Department of Commerce (the Department) published in the **Federal Register** the initiation of the antidumping duty investigations of galvanized steel wire from the People's Republic of China (PRC) and Mexico. The period of investigation (POI) for the PRC investigation is July 1, 2010, through December 31, 2010, and the POI for the Mexico investigation is January 1, 2010, through December 31, 2010. See *Galvanized Steel Wire From the People's Republic of China and Mexico: Initiation of Antidumping Duty Investigations*, 76 FR 23548 (April 27, 2011). The current deadline for the preliminary determinations of these investigations is September 7, 2011.

## Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete its preliminary determinations for these investigations no later than 140 days after the date of issuance of the initiation (*i.e.*, September 7, 2011).

On July 13, 2011, the petitioners, Davis Wire Corporation, Johnstown Wire Technologies, Inc., Mid-South Wire Company, Inc., National Standard, LLC, and Oklahoma Steel & Wire Company, Inc. For the reasons stated by the petitioners and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determinations with respect to the PRC and Mexico pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e) by 50 days to October 27, 2011.
