Preliminary Results of Administrative Review

In accordance with section 751(a)(2)(B)(i) of the Act and 19 CFR 351.221(b)(4)(i), we have calculated an individual subsidy rate for Ester for the POR. We preliminarily determine the total countervailable subsidy to be 112.95 percent *ad valorem* for Ester.

Assessment Rates/Cash Deposits

If these preliminary results are adopted in our final results of this review, the Department intends to issue assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after publication of the final results of this review.

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the rate of 112.95 percent *ad valorem* of the entered value on shipments of the subject merchandise produced and exported by Ester, and entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. We intend to instruct CBP to continue to collect cash deposits for non-reviewed companies at the applicable company-specific CVD rate for the most recent period or all-others rate established in the investigation. These deposit rates, when imposed, shall remain in effect until further notice.

Disclosure and Public Hearing

We will disclose the calculations used in our analysis to parties to this segment of the proceeding within ten days of the public announcement of these preliminary results of review. *See* 19 CFR 351.224(b). Interested parties who wish to request a hearing on arguments to be raised in case or rebuttal briefs, must submit a written request within 30 days of the date of publication of this notice. *See* 19 CFR 351.310(c). Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) to the extent practicable, a list of arguments to be raised.

Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Unless the time period is extended by the Department, case briefs are to be submitted within 30

days after the date of publication of this notice in the **Federal Register**. *See* 19 CFR 351.309(c). Rebuttal briefs, which must be limited to responding to arguments raised in case briefs, are to be submitted no later than five days after the time limit for filing case briefs. *See* 19 CFR 351.309(d). Parties who submit arguments in this proceeding are requested to submit with the argument: (1) A statement of the issues; (2) a brief summary of the argument; and (3) a table of authorities cited. Further, we request that parties submitting written comments provide the Department with a diskette containing an electronic copy of the public version of such comments. Case and rebuttal briefs must be served on interested parties, in accordance with 19 CFR 351.303(f).

Unless extended, the Department will issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of signature of this notice, pursuant to section 751(a)(3)(A) of the Act.
