Background

On March 13, 2007, the Department of the Interior published a notice of establishment of the Committee in the **Federal Register** (72 FR 11373). The Committee's purpose is to provide advice and recommendations to the Secretary of the Interior (Secretary) on developing effective measures to avoid or minimize impacts to wildlife and their habitats related to land-based wind energy facilities. All Committee

members serve without compensation. In accordance with the Federal Advisory Committee Act (5 U.S.C. App.), a copy of the Committee's charter is filed with the Committee Management Secretariat, General Services Administration; Committee on Environment and Public Works, U.S. Senate; Committee on Natural Resources, U.S. House of Representatives; and the Library of Congress. The Secretary appointed 22 individuals to the Committee on October 24, 2007, representing the varied interests associated with wind energy development and its potential impacts to wildlife species and their habitats. The Committee provided recommendations to the Secretary on March 4, 2010.

Meeting Participation Information

This meeting is open to the public. Members of the public planning to participate via teleconference and webcast must register at <http://www.fws.gov/windenergy> by close of business, August 16, 2011. Registrants will be provided with instructions for participation via e-mail.
