

III. Data

OMB Number: 0651-0045.
Form Number(s): PTO-2042.
Type of Review: Revision of a currently approved collection.
Affected Public: Individuals or households; businesses or other for-profits; and not-for-profit institutions.
Estimated Number of Respondents: 1,857 responses per year.
Estimated Time per Response: The USPTO estimates that it will take the

public approximately 30 minutes (0.5 hours) to read the instructions and subscriber agreement, gather the necessary information, prepare the Certificate Action Form, and submit the completed request.
Estimated Total Annual Respondent Burden Hours: 929 hours.
Estimated Total Annual Respondent Cost Burden: \$129,131. The USPTO expects that 70% of the submissions for this collection will be prepared by paraprofessionals, 15% by attorneys,

and 15% by independent inventors. Using those proportions and the estimated rates of \$122 per hour for paraprofessionals, \$325 per hour for attorneys in private firms, and \$30 per hour for independent inventors, the USPTO estimates that the average rate for those respondents will be approximately \$139 per hour. Therefore, the estimated total respondent cost burden for this collection will be approximately \$129,131 per year.

Item	Estimated time for response	Estimated annual responses	Estimated annual burden hours
Certificate Action Form (including Subscriber Agreement) (PTO-2042)	30 minutes	1,857	929
Totals	1,857	929

Estimated Total Annual Non-hour Respondent Cost Burden: \$4,531. There are no capital start-up costs, maintenance costs, or fees associated with this information collection. However, this collection does have annual (non-hour) cost burden associated with the Certificate Action Form.

This collection has costs due to the notarization requirement for authenticating the signatures on the Certificate Action Form. The USPTO estimates that the average fee for having a signature notarized is \$2 and that 1,857 responses for these forms will be submitted annually, for a total cost of \$3,714 per year.

This collection also has postage costs for submitting the Certificate Action Form to the USPTO by mail. The form cannot be faxed or submitted electronically because it requires an original notarized signature. The USPTO estimates that the first class postage cost for these forms will be 44 cents and that it will receive 1,857 mailed responses annually, for a total postage cost of approximately \$817 per year.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, e.g., the use of

automated collection techniques or other forms of information technology.
 Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they also will become a matter of public record.
