SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65032; File No. SR-NSCC-2011-04]

Self-Regulatory Organizations; The National Securities Clearing Corporation; Order Granting Approval of a Proposed Rule Change To Amend Rules Relating To Discontinuing Dividend Settlement Service, Funds Only Settlement Service, Data Distribution Box Services, and Changes to the Envelope Settlement Service

August 4, 2011.

I. Introduction

On June 15, 2011, The National Securities Clearing Corporation ("NSCC") filed proposed rule change SR-NSCC-2011-04 with the Securities and Exchange Commission

("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ Notice of the proposed rule change was published in the **Federal Register** on July 6, 2011.² The Commission received no comment letters. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

II. Description

As operated prior to this rule change, the Dividend Settlement Service ("DSS"), the Funds Only Settlement Service ("FOSS"), and the Envelope Settlement Service ("ESS") were non-guaranteed services of NSCC through which NSCC members were able to exchange physical envelopes through a centralized location at NSCC. Pursuant to Rule 43 of NSCC's Rules and Procedures, DSS centralized claims processing for collection and payment of dividends and interest between NSCC members through the exchange of envelopes through the facilities of NSCC. Pursuant to Rule 41 of NSCC's Rules and Procedures, FOSS centralized money-only settlements for NSCC members through the exchange of paperwork delivered to and received by NSCC members through NSCC's facilities.³ Pursuant to Rule 9 and Addendum D of NSCC's Rules and Procedures, ESS allowed a NSCC member to physically deliver a sealed envelope containing securities and such other items as NSCC from time to time permitted to a specified NSCC member. The money settlement associated with ESS, DSS, and FOSS transactions occurred through NSCC's end-of-day settlement process.

A. Consolidation and Elimination of Certain Services

The use of each of these services has steadily declined in recent years due to increased dematerialization of securities and automation of transaction processing. In light of this decline and the elimination of the guaranty of ESS transactions, NSCC is amending its rules to discontinue the separate DSS and FOSS services and to allow members to

³ FOSS was created in 1983 to remove money-only settlement activity, which prior to that time was included in ESS, from ESS in order to facilitate what was then NSCC's guaranty of settlement of securities transactions processed through ESS. The guaranty of ESS settlement was in effect from 1983 until 2010. Exchange Act Release No. 61618 (March 1, 2010) (File No. SR-NSCC-2010-01), 75 FR 10542 (March 8, 2010).
