II. Award Information

Type of Award: Formula Grant.

Estimated Available Funds
\$9,601,758.

Estimated Average Size of Awards: Grants awarded under the PBI Formula Grant Program will be allotted to eligible institutions based on the formula included in section 318(e) of the HEA (20 U.S.C. 1059e(e)), with no grantee allotted less than \$250,000.

If the amount appropriated for this program for a fiscal year is not sufficient to pay the minimum allotment to eligible institutions, then the amount of the minimum allotment must be ratably reduced, in accordance with section 318(e) of the HEA (20 U.S.C. 1059e(e)(4)).

Funding Formula:

Grant amounts to PBIs will be awarded according to the following formula:

(1) Federal Pell Grant basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-half of that amount as the number of Federal Pell Grant recipients in attendance at such institution at the end of the academic year preceding the beginning of that fiscal year, bears to the total number of Federal Pell Grant recipients at all such institutions at the end of such academic year.

(2) Graduates basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-fourth of that amount as the number of graduates for such academic year at such institution, bears to the total number of graduates for such academic year at all such institutions.

(3) Graduates Seeking a higher degree basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-fourth of that amount as the percentage of graduates from such institution who are admitted to and in attendance at, not later than two years after graduation with an associate's degree or a baccalaureate degree, a baccalaureate degree-granting institution or a graduate or professional school in a degree program in disciplines in which Black American students are underrepresented, bears to the percentage of such graduates for all such institutions.

Estimated Number of Awards: All applicant institutions that meet the eligibility requirements will receive a portion of the total appropriations for the PBI Formula Grant Program.

Note: The Department is not bound by any estimates in this notice.

Project Period: 60 months.

III. Eligibility Information

1. **Eligible Applicants:** To be eligible, an applicant must have previously submitted the "Application for Designation as an Eligible Institution" and received FY 2011 designation as an eligible institution for programs under title III and title V of the HEA. (1) Have an enrollment of needy undergraduate students as defined in section 318(b)(2) of the HEA;

(2) Have an average educational and general expenditure that is low, per full-time equivalent undergraduate student, in comparison with the average educational and general expenditure per full-time equivalent undergraduate student of institutions that offer similar instruction, except that the Secretary may apply the waiver requirements described in section 392(b) of the HEA to this subparagraph in the same manner as the Secretary applies the waiver requirements to section 312(b)(1)(B) of the HEA;

(3) Have an enrollment of undergraduate students that is not less than 40 percent Black American students;

(4) Be legally authorized to provide, and provide, within the State an educational program for which the institution of higher education awards a baccalaureate degree or, in the case of a junior or community college, an associate's degree;

(5) Be accredited by a nationally recognized accrediting agency or association determined by the Secretary to be a reliable authority as to the quality of training offered or is, according to such an agency or association, making reasonable progress toward accreditation; and

To be eligible for a grant under the PBI Formula Grant Program, an applicant must also meet the definition of a *Predominantly Black Institution* in section 318(b)(6) of the HEA. The term *Predominantly Black Institution* means an institution of higher education, as defined in section 101(a) of the HEA—

(A) That is an eligible institution with not less than 1,000 undergraduate students;

(B) At which not less than 50 percent of the undergraduate students enrolled at the eligible institution are low-income individuals or first-generation college students; and

(C) At which not less than 50 percent of the undergraduate students are enrolled in an educational program leading to a bachelor's or associate's degree that the eligible institution is licensed to award by the State (defined as each of the 50 States and the District of Columbia) in which the eligible institution is located.

2. *Cost Sharing or Matching:* This program does not require cost sharing or

matching unless the grantee uses a portion of its grant for establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds in an amount equal to or greater than the Federal funds used for the establishment or increase of the endowment fund (20 U.S.C. 1059e(d)(3)).
