

Commission to assess the impact of the Exchange's authority to receive direct inbound routes of option orders via NOS (including the attendant obligations and conditions) while the Commission evaluates the Exchange's pending rule change to make the pilot program permanent.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant burden on competition, and, by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

The Exchange has requested that the Commission waive the 30-day operative delay. The Exchange believes that the proposed rule change does not significantly affect the protection of investors or the public interest because it seeks to extend for a limited period a currently operating pilot program so as to allow the Exchange and Commission to assess whether to make the pilot permanent in accordance with its attendant obligations and conditions.¹⁰ The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because such waiver would allow the pilot period to be extended without undue delay through November 25, 2011 while the Exchange's proposal to make the pilot

permanent is under consideration. Therefore, the Commission designates the proposal operative upon filing.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Fees for Use of BATS Y-Exchange, Inc.

August 16, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 12, 2011, BATS Y-Exchange, Inc. (the "Exchange" or "BYX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the fee schedule applicable to Members⁵ of

² 17 CFR 240.19b-4.

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁰ See SR-Phlx-2011-116, Item 7.

the Exchange pursuant to BYX Rules 15.1(a) and (c). Changes to the fee schedule pursuant to this proposal will be effective upon filing.

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify its fee schedule applicable to use of the Exchange in order to modify pricing related to executions that occur on EDGA EXCHANGE, Inc. ("EDGA") through either a BYX + EDGA Destination Specific Order⁶ or through the Exchange's TRIM routing strategy.⁷ EDGA is implementing certain pricing changes effective August 1, 2011, including introduction of a fee to remove liquidity of \$0.0006 per share. To maintain a direct pass through of the applicable cost to execute at EDGA, the Exchange proposes to charge \$0.0006 per share for an order routed through its TRIM routing strategy and executed on EDGA. Similarly, because EDGA is part of the Exchange's "One Under" pricing program for Destination Specific Orders, the Exchange intends to continue to charge \$0.0001 per share less than if a Member executed an order directly on EDGA. Accordingly, the Exchange proposes to charge \$0.0005 per share for an order routed as a Destination Specific Order to EDGA and executed on EDGA, which is \$0.0001 per share less than EDGA charges directly. The Exchange's "One Under" pricing does not apply to securities priced below \$1.00. In addition, the Exchange will maintain the pricing currently charged by the

Exchange for all other Destination Specific Orders.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁸ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁹ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The Exchange believes that the proposed changes to certain of the Exchange's non-standard routing fees and strategies are competitive, fair and reasonable, and non-discriminatory in that they are equally applicable to all Members and are designed to mirror or provide a discount to the cost applicable to the execution if such routed orders were executed directly by the Member at EDGA Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder,¹¹ the Exchange has designated this proposal as establishing or changing a due, fee, or other charge applicable to the Exchange's Members and non-members, which renders the proposed rule change effective upon filing.

At any time within 60 days of the filing of the proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
