Indian Tribal Governments

This rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntarily consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M1647.5.D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule involves the establishment of a safety zone which will only be effective temporarily and is therefore categorically excluded under paragraph 34(g) of the Instruction.

A final environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under ADDRESSES.

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900–AN85

Technical Revisions To Conform to the Caregivers and Veterans Omnibus Health Services Act of 2010

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This final rule amends Department of Veterans Affairs (VA) medical regulations to incorporate statutory amendments. Certain statutes authorizing VA health care benefits were amended by the Caregivers and Veterans Omnibus Health Services Act of 2010. The statutory amendments affect enrollment in certain health care priority categories and exempt catastrophically disabled veterans from copayment requirements.

DATES: Effective Date: This final rule is effective August 22, 2011.

FOR FURTHER INFORMATION CONTACT: Roscoe Butler, Deputy Director, Business Policy, Chief Business Office (163), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 461–1586. (This is not a toll free number).

SUPPLEMENTARY INFORMATION: This document amends 38 CFR part 17 to conform certain sections with statutory amendments made by sections 511 through 513 of the Caregivers and Veterans Omnibus Health Services Act of 2010 (the Act), Public Law 163–111. Sections 512 and 513 of the Act amended statutory provisions affecting the enrollment of veterans in the VA health care system. VA’s enrollment regulation, 38 CFR 17.36, must be revised accordingly.

First, section 512 of the Act amended 38 U.S.C. 1705(a)(3) to add “veterans who were awarded the [M]edal of [H]onor under [10 U.S.C.] 3741, 6241 or 8741 or [14 U.S.C.] 491” to the list of veterans included in enrollment priority category three. Accordingly, we have revised 38 CFR 17.36(b)(3), our regulation implementing enrollment priority category three, consistent with the amendment of section 1705.

Second, section 513 of the Act amended 38 U.S.C. 1710(e) to prescribe August 2, 1990, through November 11, 1998, as the specific period of time for enrollment eligibility based on active duty service in the Southwest Asia theater of operations during the Gulf War. Consistent with the statutory amendment, we are amending § 17.36(a)(3) and (b)(6) to include those specific dates.

Third, section 511 of the Act amended title 38, United States Code (U.S.C.), to add section 1730A, which reads as follows: “Notwithstanding subsections (f) and (g) of [38 U.S.C. 1710 and] 1722A(a) or any other provision of law, the Secretary may not require a veteran who is catastrophically disabled, as defined by the Secretary, to make any copayment for the receipt of hospital care or medical services under the laws administered by the Secretary.” In current 38 CFR 17.108(d), VA exempts 10 classes of veterans from the copayment requirements for inpatient hospital care or outpatient medical care. In current 38 CFR 17.110(c), we exempt 8 classes of veterans from copayment requirements for medication. Finally, in current 38 CFR 17.111(f), we exempt 7 classes of veterans from payment requirements for extended care services. Consistent with section 1730A, we are amending each of these regulations to add the new exemption for catastrophically disabled veterans.

Regarding the copayment exemption for extended care services, we note that under section 1730A, VA may exempt copayments for extended care services that are considered hospital care or medical services. In 38 U.S.C. 1701(b)(6), Congress defined “medical services” as including...
