SUPPLEMENTARY INFORMATION:

I. Abstract

The Trade Fair Certification (TFC) Program is a service of the U.S. Department of Commerce (DOC), U.S. Commercial Service (CS) that provides DOC endorsement and support for high quality international trade fairs that are organized by private-sector firms. The TFC Program seeks to broaden the base of U.S. firms, particularly new-to-market companies by introducing them to key international trade fairs where they can achieve their export objectives. Those objectives include one or more of the following: direct sales; identification of local agents or distributors; market research and exposure; and joint venture and licensing opportunities for their products and services. An application, Form ITA–4100P, is required to make a determination that the trade fair organizer is qualified to organize and manage U.S. exhibitions at an international trade fair, and to ensure that the fair is a good marketing opportunity for U.S. companies.

II. Method of Collection

The application is sent by request to organizers of international trade fairs. Applicants submit completed applications to CS via express mail.

Continuation of Antidumping and Countervailing Duty Orders: Stainless Steel Plate in Coils From Belgium, the Republic of Korea, South Africa, and Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the Department) that revocation of the antidumping duty (AD) orders on stainless steel plate in coils (SSPC) from Belgium, the Republic of Korea (Korea), South Africa, and Taiwan would likely lead to continuation or recurrence of dumping, that revocation of the countervailing duty (CVD) order on SSPC from South Africa would likely lead to continuation or recurrence of a countervailable subsidy, and the determinations by the International Trade Commission (ITC) that revocation of these AD and CVD orders would likely lead to a continuation or recurrence of material injury to an industry in the United States, the Department is publishing a notice of continuation of these AD orders and CVD order.

DATES: Effective Date: August 30, 2011.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood (AD orders) or Eric Greyworlds (CVD order), AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–3874 and (202) 482–6071, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 2, 2010, the Department published the notice of initiation of the second sunset reviews of the AD and CVD orders on SSPC from Belgium, Italy, Korea, South Africa, and Taiwan pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended (the Act), respectively. See Initiation of Five-Year (“Sunset”) Review, 75 FR 30777 (June 2, 2010).

As a result of its reviews, the Department determined that revocation of the AD orders would likely lead to a continuation or recurrence of dumping and that revocation of the CVD order would likely lead to a continuation or recurrence of subsidization, and notified
