21 CFR Part 14

[Docket No. FDA–2011–N–0002]

Advisory Committee; Change of Name and Function; Technical Amendment

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule.

SUMMARY: The Food and Drug Administration (FDA) is amending the standing advisory committees’ regulations to change the name and function of the Anesthetic and Life Support Drugs Advisory Committee. This action is being taken to reflect changes made to the charter for this advisory committee.

DATES: Effective September 6, 2011.

FOR FURTHER INFORMATION CONTACT:

Philip Bautista, Center for Drug Evaluation and Research, Food and Drug Administration, 10903 New Hampshire Ave., Bldg. 31, Rm. 2417, Silver Spring, MD 20993–0002, 301–796–9001.

SUPPLEMENTARY INFORMATION: FDA is announcing that the name of the Anesthetic and Life Support Drugs Advisory Committee, which was established on May 1, 1978, has been changed. The Agency decided that the name “Anesthetic and Analgesic Drug Products Advisory Committee” would more accurately describe the subject areas for which the committee is responsible. The mandate of the committee is being expanded to include analgesics, e.g., abuse-deterrent opioids, novel analgesics, and opioid abuse.

The Committee reviews and evaluates available data concerning the safety and effectiveness of marketed and investigational human drug products including analgesics, e.g., abuse-deterrent opioids, novel analgesics, and issues related to opioid abuse, and those for use in anesthesiology.

The Anesthetic and Life Support Drugs Advisory Committee name was changed and its functions expanded in the charter renewal dated June 9, 2011. FDA is hereby revising 21 CFR 14.100 (c)(1) to reflect these changes.

Publication of this final rule constitutes a final action on this change under the Administrative Procedure Act. Under 5 U.S.C. 553(b)(3)(B) and (d) and 21 CFR 10.40(d) and (e), the Agency finds good cause to dispense with notice and public procedure and to proceed to an immediately effective regulation. Such notice and procedures are unnecessary and are not in the public interest, because the final rule is merely codifying the new name and the expanded function of the advisory committee to reflect the current committee charter.

25 CFR Parts 542 and 543

Minimum Internal Control Standards for Class II Gaming

AGENCY: National Indian Gaming Commission, Interior.

ACTION: Final rule; delay of effective date and request for comments.

SUMMARY: The National Indian Gaming Commission (“NIGC”) announces the delay of the effective date on the final rule for Minimum Internal Control Standards for Class II Gaming. The final rule was first published in the **Federal Register** on October 10, 2008. The Commission delayed the effective date for portions of the final rule on October 9, 2009, and September 10, 2010. With this document, the Commission further delays the effective date in order to

allow the Commission time to convene a Tribal Advisory Committee (TAC), to receive and review input from the TAC, and to thoroughly review comments from the public on any potential amendments to the regulations.

DATES: This rule is effective October 12, 2012. The effective date for the amendments to §§ 542.7 and 542.16 in the final rule published October 10, 2008 (73 FR 60492), delayed October 9, 2009 (74 FR 52138) and September 10, 2010 (75 FR 55269), is further delayed until October 12, 2012. SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA or Act), Public Law 100–497, 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. The Act establishes the National Indian Gaming Commission (“Commission”) and sets out a comprehensive framework for the regulation of gaming on Indian lands.

The NIGC issued a final rule that superseded specified sections of established Minimum Internal Control Standards and replaced them with a new part titled Minimum Internal Control Standards Class II Gaming, that was published in the **Federal Register** on October 10, 2008 (73 FR 60492). The final rule provided an effective date for amendments to §§ 542.7 and 542.16 of October 13, 2009. An extension delayed the effective date of the amendments until October 13, 2010. 74 FR 52138, October 9, 2009. An additional extension delayed the effective date of the amendments until October 13, 2011, 75 FR 55269, September 10, 2010. The NIGC is again extending the effective

date of these amendments to October 12, 2012. The rule at § 543.3(c)(3) also set a deadline of within six months of the date the tribal gaming regulatory authorities’ enactment of tribal internal controls for tribal operators to come into compliance with tribal internal controls. This deadline has likewise been extended to October 12, 2012.

As explained in the preamble to the final rule (73 FR 60492 (October 10, 2008)), the Commission intended these amendments to be the first part of a multi-phase process of establishing separate MICS for class II gaming and that the extended effective date would provide the necessary time to complete this process. On October 9, 2009, the Commission extended the effective date of the amendments until October 13, 2010, anticipating that all phases of the process would then be complete and that a final comprehensive set of class II MICS would take effect at that time. 74 FR 52138 (October 9, 2009). The newly appointed Commission approved an additional extension to delay the effective date of the amendments until October 13, 2011, 75 FR 55269 (September 10, 2010). The Commission then decided to create a Tribal Advisory Committee to assist in the review of these rules. The NIGC is again extending the effective date of these amendments to October 12, 2012 to allow time for the transition as contemplated by the final rule.
