SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276–1243.

Project: Services Accountability Improvement System—(OMB No. 0930–0208)—Revision

This revised instrument will allow SAMHSA to collect information on two new strategic initiatives—Trauma and Violence and Military Families. The new items will be added to the Services Accountability Improvement System (SAIS), which is a real-time, performance management system that captures information on the substance abuse treatment and mental health services delivered in the United States. A wide range of client and program information is captured through SAIS, which is a real-time, performance management system that captures information on the substance abuse treatment and mental health services delivered in the United States. CSAT proposes to add the following 6 items in a new section entitled “Violence and Trauma”.

1. Have you ever experienced violence or trauma in any setting (including community or school violence; domestic violence; physical, psychological, or sexual maltreatment/assault within or outside of the family; natural disaster; terrorism; neglect; or traumatic grief)?

2a. Have you had nightmares about it or thought about it when you did not want to?

2b. Tried hard not to think about it or went out of your way to avoid situations that reminded you of it?

2c. Were constantly on guard, watchful, or easily startled?

2d. Felt numb and detached from others, activities, or your surroundings?

3. In the past 30 days, how often have you been hit, kicked, slapped, or otherwise physically hurt?

• Experiences with Violence and Trauma—One of SAMHSA’s 10 Strategic Initiatives is trauma and violence. In order to capture this information, CSAT is adding six new questions to be asked of respondents. This information will help in SAMHSA’s overall goal of reducing the behavioral health impacts of violence and trauma by encouraging substance abuse treatment programs to focus on trauma-informed services.

Section L. Military Family and Deployment—CSAT proposes to add the following 6 new items in a new section entitled “Military Family and Deployment”.

1. Have you ever served in the Armed Forces, in the Reserves, or the National Guard [select all that apply]?

1b. Are you currently on active duty in the Armed Forces, in the Reserves, or the National Guard [select all that apply]?

1c. Have you ever been deployed to a combat zone?

2. Is anyone in your family or someone close to you on active duty in the Armed Forces, in the Reserves, or the National Guard [select all that apply]?

2a. Are you currently on active duty in the Armed Forces, in the Reserves, or the National Guard [select all that apply]?

2b. Did you serve in the Armed Forces, in the Reserves, or the National Guard [select all that apply]?

2c. What is your relationship to the service member?

2d. What is the service branch of the Armed Forces, in the Reserves, or the National Guard [select all that apply]?
