SUPPLEMENTARY INFORMATION:

Background

On May 2, 2011, the Department published the notice of initiation of the third sunset review of the antidumping duty order on gray portland cement and clinker from Japan ¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See Initiation of Five-Year ("Sunset") Review, 76 FR 24459 (May 2, 2011) (Notice of Initiation).

The Department received notice of intent to participate in this third sunset review from the domestic interested party, Committee for Fairly Traded Japanese Cement (domestic interested party), within the 15-day period specified in 19 CFR 351.218(d)(1)(i). The domestic interested party claimed interested-party status under section 771(9)(E) of the Act as a trade or business association, a majority of whose members manufacture, produce or wholesale a domestic like product in the United States.

The Department received a complete substantive response to the Notice of Initiation from the domestic interested party within the 30-day period specified in 19 CFR 351.218(d)(3)(i). The Department received no responses from any respondent interested parties. In accordance with section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department is conducting an expedited (120-day) third sunset review of the antidumping duty order on gray portland cement and clinker from Japan.

Scope of the Order

The products covered by the order are cement and cement clinker from Japan. Cement is a hydraulic cement and the primary component of concrete. Cement clinker, an intermediate material produced when manufacturing cement, has no use other than grinding into finished cement. Microfine cement was produced when manufacturing cement, clinker, an intermediate material.

All issues raised in this review are addressed in the “Issues and Decision Memorandum for the Final Results of the Expedited Third Sunset Review of the Antidumping Duty Order on Gray Portland Cement and Clinker from Japan” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, dated concurrently with this notice (I&D Memo), which is hereby adopted by this notice. The issues discussed in the I&D Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margins likely to prevail if the order was revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit, room 7046 of the main Department of Commerce building.

In addition, a complete version of the I&D Memo can be accessed directly on the Web at http://ia.ita.doc.gov/frn. The paper copy and electronic version of the I&D Memo are identical in content.

Revocation

As a result of the determination by the ITC that revocation of the order is not likely to lead to the continuation or recurrence of material injury to an industry in the United States, the Department, pursuant to section 751(d) of the Act, is revoking the antidumping duty order on SSPC from Italy. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is July 18, 2010 (i.e., the fifth anniversary of the date of publication in the Federal Register of the notice of continuation of the antidumping duty order). The Department will notify U.S. Customs and Border Protection (CBP) to discontinue suspension of liquidation and collection of cash deposits on entries of SSPC from Italy entered on or after July 18, 2010, the effective date of revocation of the antidumping duty order. The Department will further instruct CBP to refund with interest any cash deposits on entries made on or after July 18, 2010.

This revocation and notice are issued in accordance with section 751(d)(2) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.222(i)(2).
