Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

Revocation

As a result of the determination by the ITC that revocation of the order is not likely to lead to the continuation or recurrence of material injury to an industry in the United States, the Department, pursuant to section 751(d) of the Act, is revoking the antidumping duty order on SSPC from Italy. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is July 18, 2010 (i.e., the fifth anniversary of the date of publication in the Federal Register of the notice of continuation of the antidumping duty order). The Department will notify U.S. Customs and Border Protection (CBP) to discontinue suspension of liquidation and collection of cash deposits on entries of SSPC from Italy entered or withdrawn from warehouse on or after July 18, 2010, the effective date of revocation of the antidumping duty order. The Department will further instruct CBP to refund with interest any cash deposits on entries made on or after July 18, 2010.

This revocation and notice are issued in accordance with section 751(d)(2) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.222(i)(2).

Dated: August 22, 2011.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

On August 2, 2011, the Department published the notice of initiation of the sunset reviews of the antidumping duty orders on SSPC from Belgium, Italy, Korea, South Africa, and Taiwan pursuant to section 751(c) of the Act.

Scope of the Order

Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements. The subject plate products are flat-rolled products, 254 mm or over in width and 4.75 mm or more in thickness, in coils, and annealed or otherwise heat treated and pickled or otherwise descaled. The subject plate may also be further processed (e.g., cold-rolled, polished, etc.) provided that it maintains the specified dimensions of plate following such processing. Excluded from the scope of the order are the following: (1) Plate not in coils, (2) plate that is not annealed or otherwise heat treated and pickled or otherwise descaled, (3) sheet and strip, and (4) flat bars.

The merchandise subject to the order is currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) at subheadings: 7219.11.00.30, 7219.11.00.60, 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, 7219.12.00.81, 7219.31.00.10, 7219.90.00.10, 7219.90.00.20, 7219.90.00.25, 7219.90.00.60, 7219.90.00.80, 7220.11.00.00, 7220.20.10.10, 7220.20.10.15, 7220.20.20.00, 7220.20.30.00, 7220.20.40.00, 7220.20.50.00, 7220.20.60.00, 7220.20.60.10, 7220.20.60.15, 7220.20.60.20, 7220.20.60.30, 7220.20.60.40, 7220.20.60.50, 7220.90.00.10, 7220.90.00.15, 7220.90.00.60, and 7220.90.00.80.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Marvin submitted documentation establishing the following: (1) The date on which it first shipped wooden bedroom furniture for export to the United States and the date on which the wooden bedroom furniture was first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States. See generally, Initiation Checklist.

The Department conducted a CBP database query and confirmed by examination of the results of the CBP data query that Marvin’s subject merchandise entered the United States during the POR specified by the Department’s regulations. See 19 CFR 351.214(g)(1)(i)(A). Pursuant to 19 CFR 351.221(c)(1)(i), the Department will publish the notice of initiation of a new shipper review no later than the last day of the month following the anniversary or semiannual anniversary month of the order.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act, 19 CFR 351.214(b), and the information on the record, the Department finds that Marvin meets the threshold requirements for initiation of a new shipper review of its shipment(s) of wooden bedroom furniture from the PRC. See generally, Initiation Checklist. The POR for the new shipper review of Marvin is January 1, 2011, through June 30, 2011. See 19 CFR 351.214(g)(1)(i)(B). The Department intends to issue the preliminary results of this review no later than 180 days from the date of initiation, and the final results of this review no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

It is the Department’s usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of de jure and de facto absence of government control over the company’s export activities. Accordingly, we will issue a questionnaire to Marvin which will include a separate rate section. The review of the exporter will proceed if the response provides sufficient indication that the exporter is not subject to either de jure or de facto government control with respect to its exports of wooden bedroom furniture. We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for certain entries of the subject merchandise from Marvin in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Marvin stated that it both produces and exports the subject merchandise, the sales of which form the basis for its new shipper review request, we will instruct CBP to permit the use of a bond only for entries of subject merchandise which the respondent both produced and exported.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
