of the total amount of antidumping duties calculated for the examined sales and the total entered value of the examined sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if the importer-specific assessment rate calculated in the final results of this review is above de minimis (i.e., at or above 0.50 percent).
Pursuant to 19 CFR 351.106(c)(2), we intend to instruct CBP to liquidate without regard to antidumping duties any entries for which the assessment rate is zero or de minimis (i.e., less than 0.50 percent). See 19 CFR 351.106(c)(1).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this new shipper review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for subject merchandise that is manufactured by Enzo Juan Garaventa or Villamora and exported by Enzo Juan Garaventa or Villamora will be the rate established in the final results of this new shipper review, except no cash deposit will be required if its weighted-average margin is de minimis (i.e., less than 0.5 percent); (2) if the exporter is not a firm covered in this review, a bond or other security in lieu of a cash deposit may be required if its weighted-average margin is less than de minimis (i.e., less than 0.5 percent); (3) if the exporter is not a firm covered in this new shipper review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for subject merchandise that is manufactured by Enzo Juan Garaventa or Villamora and exported by Enzo Juan Garaventa or Villamora will be the rate established in the final results of this new shipper review, except no cash deposit will be required if its weighted-average margin is de minimis (i.e., less than 0.5 percent); (2) if the exporter is not a firm covered in this review, a bond or other security in lieu of a cash deposit may be required if its weighted-average margin is less than de minimis (i.e., less than 0.5 percent); (3) if the exporter is not a firm covered in this review, a bond or other security in lieu of a cash deposit may be required if its weighted-average margin is less than de minimis (i.e., less than 0.5 percent); (4) the cash deposit rate for all other manufacturers and/or exporters of this merchandise, shall remain in effect until further notice.

**Disclosure and Public Hearing**

The Department will disclose to parties the calculations performed in connection with these preliminary results within five days of the date of public announcement. See 19 CFR 351.224(b). Unless notified by the Department, pursuant to 19 CFR 351.309(c)(ii), interested parties may submit cases briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the deadline for filing the case briefs. See 19 CFR 351.309(d). Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Additionally, parties are requested to provide their case briefs and rebuttal briefs in electronic format (e.g., WordPerfect, Microsoft Word, Adobe Acrobat, etc.).

Interested parties who wish to request a hearing or to participate if one is requested must submit a written request to the Assistant Secretary for Import Administration within 30 days of the date of publication of this notice. Requests should contain: (1) The party’s name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. See 19 CFR 351.310(c).

Beginning August 5, 2011, with certain limited exceptions, interested parties are required to file electronically all submissions for all proceedings using Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). An electronically-filed document must be successfully received in its entirety by the Department’s electronic records system, IA ACCESS, by the time and date of the above-referenced deadline for the submission of case briefs. Documents excepted from the electronic submission requirements, must be filed manually (i.e., in paper form) with the APO/Dockets Unit in Room 1870 and stamped with the date and time of receipt of the deadline. See Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures, 76 FR 39263 (July 6, 2011).2

The Department will issue the final results of this review, including the results of its analysis of issues raised in any written briefs, within 90 days of signature of these preliminary results, unless the final results are extended. See section 751(a)(2)(B)(iv) of the Act.

**Notification to Importers**

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review is issued and published in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act, as well as 19 CFR 351.214(i).3

Dated: August 24, 2011.

Cement and Clinker From Japan,
Japan, Value: Gray Portland Cement and Clinker From

Scope of the Order
The products covered by the order are cement and cement clinker from Japan. Cement is a hydraulic cement and the primary component of concrete. Cement clinker, an intermediate material produced when manufacturing cement, has no use other than grinding into finished cement. Microfine cement was specifically excluded from the scope of cement clinker as defined in 19 CFR 351.218(e)(1)(i)(C)(2), the Department is conducting an expedited (120-day) third sunset review of the antidumping duty order on gray portland cement and clinker from Japan.

The Department determined that revocation of the antidumping duty order on gray portland cement and clinker from Japan would be likely to lead to a continuation or recurrence of dumping at the following weighted-average dumping margins:

Notification Regarding APO
This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

The Department is issuing and publishing the final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act.

Stainless Steel Plate in Coils From Italy: Revocation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On June 2, 2010, the Department of Commerce (the Department) initiated a second sunset review of the antidumping duty order on stainless steel plate in coils (SSPC) from Italy. See Initiation of Five-Year ("Sunset") Review, 75 FR 30777 (June 2, 2010) (Initiation). Pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), the International Trade Commission (ITC) determined that revocation of this order would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See Stainless Steel Plate From Belgium, Italy, Korea, South Africa, and Taiwan, 76 FR 50495 (August 15, 2011) (ITC Final). Therefore, pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(1)(iii), the Department is revoking the antidumping duty order on SSPC from Italy.

DATES: Effective Date: July 18, 2010.
