

scientific issues associated with EPA's development of the EEMs.

In response to EPA's request, the SAB Staff Office will form an expert panel to review EPA's development of AFO air EEMs. As a Federal Advisory Committee, the SAB conducts business in accordance with the Federal Advisory Committee Act (FACA) (5 U.S.C. App.2) and related regulations. The SAB Panel will provide advice through the chartered SAB and comply with the provisions of FACA and all appropriate SAB Staff Office procedures.

Request for Nominations: The SAB Staff Office is seeking public nominations of nationally recognized experts with demonstrated expertise and experience in the following areas related to AFO air emission estimation methods: Air emissions from broiler, dairy, egg layer, and/or swine production animal feeding operations; air monitoring and detection methods; exposure assessment; environmental statistics; emission and statistical modeling; and uncertainty analysis.

Process and Deadline for Submitting Nominations: Any interested person or organization may nominate qualified individuals in the areas of expertise described above for possible service on this expert panel. Nominations should be submitted in electronic format (preferred over hard copy) following the instructions for "Nominating Experts to Advisory Panels and Ad Hoc Committees Being Formed," provided on the SAB Web site. The instructions can be accessed through the "Nomination of Experts" link on the blue navigational bar at the SAB Web site <http://www.epa.gov/sab>. To receive full consideration, nominations should include all of the information requested below.

EPA's SAB Staff Office requests contact information about the person making the nomination; contact information about the nominee; the disciplinary and specific areas of expertise of the nominee; the nominee's resume or curriculum vita; sources of recent grant and/or contract support; and a biographical sketch of the nominee indicating current position, educational background, research activities, and recent service on other national advisory committees or national professional organizations.

Persons having questions about the nomination procedures, or who are unable to submit nominations through the SAB Web site, should contact Mr. Edward Hanlon, DFO, as indicated above in this notice. Nominations should be submitted in time to arrive no later than September 22, 2011. EPA

values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The EPA SAB Staff Office will acknowledge receipt of nominations. The names and bio-sketches of qualified nominees identified by respondents to this **Federal Register** notice, and additional experts identified by the SAB Staff, will be posted in a List of Candidates on the SAB Web site at <http://www.epa.gov/sab>. Public comments on this List of Candidates will be accepted for 21 days. The public will be requested to provide relevant information or other documentation on nominees that the SAB Staff Office should consider in evaluating candidates.

For the EPA SAB Staff Office a review panel includes candidates who possess the necessary domains of knowledge, the relevant scientific perspectives (which, among other factors, can be influenced by work history and affiliation), and the collective breadth of experience to adequately address the charge. In forming this expert panel, the SAB Staff Office will consider public comments on the List of Candidates, information provided by the candidates themselves, and background information independently gathered by the SAB Staff Office. Selection criteria to be used for panel membership include: (a) Scientific and/or technical expertise, knowledge, and experience (primary factors); (b) availability and willingness to serve; (c) absence of financial conflicts of interest; (d) absence of an appearance of a lack of impartiality; (e) skills working in committees, subcommittees and advisory panels; and, (f) for the Panel as a whole, diversity of expertise and viewpoints.

The SAB Staff Office's evaluation of an absence of financial conflicts of interest will include a review of the "Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency" (EPA Form 3110-48). This confidential form allows government officials to determine whether there is a statutory conflict between a person's public responsibilities (which includes membership on an EPA federal advisory committee) and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded from the following URL address <http://www.epa.gov/sab/pdf/epaform3110-48.pdf>.

The approved policy under which the EPA SAB Office selects subcommittees and review panels is described in the following document: *Overview of the Panel Formation Process at the Environmental Protection Agency Science Advisory Board (EPA-SAB-EC-02-010)*, which is posted on the SAB Web site at <http://www.epa.gov/sab/pdf/ec02010.pdf>.

Dated: August 26, 2011.

EXPORT-IMPORT BANK OF THE UNITED STATES

Economic Impact Policy

This notice is to inform the public that the Export-Import Bank of the United States has received an application for a \$25.1 million guarantee to support the U.S. export of aircraft tooling equipment to Mexico and the United Kingdom. The U.S. exports will enable the Mexican and British facilities to produce composite aircraft parts. All of the new Mexican and British production will be sent back to the U.S. for final assembly into business aircraft. Available information indicates that this type of supply chain structure exists because of the need for industry participants to produce technically specific goods at proprietary facilities. Interested parties may submit comments on this transaction by e-mail to economic.impact@exim.gov or by mail to 811 Vermont Avenue, NW., Room 947, Washington, DC 20571, within 14 days of the date this notice appears in the **Federal Register**.

FEDERAL MARITIME COMMISSION

[Docket No. 11-14]

Petra Pet, Inc. (a/k/a Petrapport) v. Panda Logistics Limited; Panda Logistics Co., Ltd. (f/k/a Panda Int'l Transportation Co., Ltd.); and RDM Solutions, Inc.; Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed with the Federal Maritime Commission (Commission) by Petra Pet, Inc. (a/k/a Petrapport), hereinafter "Complainant," against Respondents Panda Logistics Limited, Panda Logistics Co., Ltd. (f/k/a Panda Int'l Transportation Co., Ltd.), and RDM Solutions Inc. (RDM). Complainant asserts that it is a shipper. Complainant alleges that Respondents Panda Logistics Limited and Panda Logistics Co., Ltd., are each a non-vessel-operating ocean common carrier (NVOCC) and a non-U.S. based ocean transportation intermediary (OTI); and that Respondent RDM is an NVOCC and OTI, and serves as U.S. agent for Panda Logistics Limited and Panda Logistics Co., Ltd.

Complainant alleges that by failing to pay freight charges, refusing to provide

freight releases, improperly diverting containers, and taking actions to cause the accrual of storage and demurrage charges, "the actions of Respondents constitute systemic and egregious failure to establish, observe and enforce just and reasonable regulations and practices relating to or connected with receiving, handling, storing and delivering Complainant's property" in violation of § 10(d)(1) of the Shipping Act, 46 U.S.C. 41102(c). Complainant requests that the Commission order Respondents to "[p]ay Complainant by way of reparations for the unlawful conduct hereinabove described a sum of no less than \$269,940.68, plus interest," "[p]ay any other damages that may be determined proper and just", "take any such other action, or provide any other such relief, as the Commission determines to be warranted, including sanctions, as appropriate, with respect to Respondents ability to conduct business as NVOCC's in the United States", and "[p]lay Complainant's reasonable attorneys fees and costs incurred * * *". The full text of the complaint can be found in the Commission's Electronic Reading Room at <http://www.fmc.gov>.

This proceeding has been assigned to the Office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon proper showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. Pursuant to the further terms of 46 CFR 502.61, the initial decision of the presiding officer in this proceeding shall be issued by August 27, 2012 and the final decision of the Commission shall be issued by December 26, 2012.

Secretary.
