

NAC will hold discussions on the Presidential Policy Directive 8 (PPD-8) on National Preparedness, the Strategic Foresight Initiative (SFI), the Emergency Management Institute, and the Radiological Emergency Preparedness (REP) Program. Additionally, members appointed on June 15, 2011, will be sworn-in during the first day of the meeting.

PPD-8, signed on March 30, 2011, directs the development of a national preparedness goal that identifies the core capabilities necessary for preparedness and a national preparedness system to guide activities that will enable the Nation to achieve the goal. PPD-8 replaces Homeland Security Presidential Directive 8 (HSPD-8) and Annex 1.

FEMA launched the SFI to promote broader and longer term thinking on world changes that can have major effects on the emergency management community. More information on SFI can be found online at https://www.fema.gov/about/programs/oppa/strategic_foresight_initiative.shtm.

FEMA established the REP Program to (1) Ensure the health and safety of citizens living around commercial nuclear power plants would be adequately protected in the event of a nuclear power plant accident; and (2) inform and educate the public about radiological emergency preparedness. More information on the REP Program can be found online at http://www.fema.gov/about/divisions/thd_repp.shtm.

Management Agency.

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant
Secretary for Community Planning and
Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies
unutilized, underutilized, excess, and
surplus Federal property reviewed by
HUD for suitability for use to assist the
homeless.

FOR FURTHER INFORMATION CONTACT:
Juanita Perry, Department of Housing
and Urban Development, 451 Seventh

Street, SW., Room 7266, Washington,
DC 20410; telephone (202) 708-1234;
TTY number for the hearing- and
speech-impaired (202) 708-2565 (these
telephone numbers are not toll-free), or
call the toll-free Title V information line
at 800-927-7588.

SUPPLEMENTARY INFORMATION: In
accordance with 24 CFR part 581 and
section 501 of the Stewart B. McKinney
Homeless Assistance Act (42 U.S.C.
11411), as amended, HUD is publishing
this Notice to identify Federal buildings
and other real property that HUD has
reviewed for suitability for use to assist
the homeless. The properties were
reviewed using information provided to
HUD by Federal landholding agencies
regarding unutilized and underutilized
buildings and real property controlled
by such agencies or by GSA regarding
its inventory of excess or surplus
Federal property. This Notice is also
published in order to comply with the
December 12, 1988 Court Order in
*National Coalition for the Homeless v.
Veterans Administration*, No. 88-2503-
OG (D.DC).

Properties reviewed are listed in this
Notice according to the following
categories: Suitable/available, suitable/
unavailable, suitable/to be excess, and
unsuitable. The properties listed in the
three suitable categories have been
reviewed by the landholding agencies,
and each agency has transmitted to
HUD: (1) Its intention to make the
property available for use to assist the
homeless, (2) its intention to declare the
property excess to the agency's needs, or
(3) a statement of the reasons that the
property cannot be declared excess or
made available for use as facilities to
assist the homeless.

Properties listed as suitable/available
will be available exclusively for
homeless use for a period of 60 days
from the date of this Notice. Where
property is described as for "off-site use
only" recipients of the property will be
required to relocate the building to their
own site at their own expense.
Homeless assistance providers
interested in any such property should
send a written expression of interest to
HHS, addressed to Theresa Ritta,
Division of Property Management,
Program Support Center, HHS, Room
5B-17, 5600 Fishers Lane, Rockville,
MD 20857; (301) 443-2265. (This is not
a toll-free number.) HHS will mail to the
interested provider an application
packet, which will include instructions
for completing the application. In order
to maximize the opportunity to utilize a
suitable property, providers should
submit their written expressions of
interest as soon as possible. For

complete details concerning the
processing of applications, the reader is
encouraged to refer to the interim rule
governing this program, 24 CFR part
581.

For properties listed as suitable/to be
excess, that property may, if
subsequently accepted as excess by
GSA, be made available for use by the
homeless in accordance with applicable
law, subject to screening for other
Federal use. At the appropriate time,
HUD will publish the property in a
Notice showing it as either suitable/
available or suitable/unavailable.

For properties listed as suitable/
unavailable, the landholding agency has
decided that the property cannot be
declared excess or made available for
use to assist the homeless, and the
property will not be available.

Properties listed as unsuitable will
not be made available for any other
purpose for 20 days from the date of this
Notice. Homeless assistance providers
interested in a review by HUD of the
determination of unsuitability should
call the toll free information line at 1-
800-927-7588 for detailed instructions
or write a letter to Mark Johnston at the
address listed at the beginning of this
Notice. Included in the request for
review should be the property address
(including zip code), the date of
publication in the **Federal Register**, the
landholding agency, and the property
number.

Notice (*i.e.*, acreage, floor plan, existing
sanitary facilities, exact street address),
providers should contact the
