

biobased preference regulations. The Committee has determined that this project meets all of the required criteria for suitability, consistent with its regulations, and will be provided by a qualified nonprofit agency that must employ people who are blind or severely disabled for not less than 75% for its direct labor hours each fiscal year. Therefore, employment opportunities for people who are blind or severely disabled are maximized through the addition of this project to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agency to provide the product and impact of the addition on the current or most recent contractors, the Committee has determined that the product listed below is suitable for procurement by the Federal Government under 41 U.S.C. 46–48c and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organization that will furnish the product to the Government.

2. The action will result in authorizing the small entity to furnish the product to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the product proposed for addition to the Procurement List.

End of Certification

Accordingly, the following product is added to the Procurement List:
