Federal Aviation Administration

Notice of Release From Federal Grant Assurance Obligations for Livermore Municipal Airport, Livermore, CA

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of request to release airport land.

SUMMARY: The Federal Aviation Administration (FAA) proposes to rule and invites public comment on the application for a release of approximately 4.5 acres of airport property at the Livermore Municipal Airport, Livermore, California. The City of Livermore proposes to release 4.5 acres of airport land in order to acquire a parcel of equal size that is currently privately-owned. This exchange is necessary in order to commence development of flood control improvements designed to remove the airport’s property from the 100-year floodplain.

DATES: Comments must be received on or before October 11, 2011.

FOR FURTHER INFORMATION CONTACT: Comments on the request may be mailed or delivered to the FAA at the following address: Robert Y. Lee, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, Federal Register Comment, 831 Mitten Road, Room 210, Burlingame, CA 94010. In addition, one copy of the comment submitted to the FAA must be mailed or delivered to Ms. Linda Barton, City Manager, City of Livermore, 1052 South Livermore Avenue, Livermore, CA 94550.

SUPPLEMENTARY INFORMATION: In accordance with the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR 21), Public Law 10–181 (Apr. 5, 2000; 114 Stat. 61), this notice must be published in the Federal Register 30 days before the Secretary may waive any condition imposed on a Federally obligated airport by surplus property conveyance deeds or grant agreements.

The following is a brief overview of the request:

The City of Livermore, California requested a release from grant assurance...
obligations for 4.5 acres of airport land north of the Arroyo Las Positas so that it can be exchanged for a portion of a privately-owned land adjacent to El Charro Road and north of the Arroyo Las Positas. Both parcels of land are currently vacant and used for dry farming. The privately owned parcel to be acquired is located about 5,400-linear feet west of the airport’s Runway 7L/25R centerline. The airport parcel to be released will be utilized for planned commercial development. The acquired parcel will be redeveloped with a hydromodification basin for flood control and to reduce water ponding on airport and adjacent land.

The airport parcel was acquired with Airport Improvement Program funds to protect the airport’s approach surfaces and currently serves this purpose. After release, the airport parcel will be redeveloped for commercial purposes, which will be compatible with the airport. The property to be acquired lies within airport’s approach surfaces and will provide approach protection to the airport.

The selling price is based on the appraisal fair market value of both parcels. The value of the airport’s parcel exceeds the value of the privately-owned parcel. So the airport will also receive a cash payment of $1,260,000.

The land exchange will provide benefits to the airport and serve the interest of civil aviation. The airport will be fully compensated, protected by 100-year floodplain enhancements, and provided continued protection of its approach surfaces. The reuse of the released parcel for commercial purposes represents a compatible land use that will not interfere with the airport or its operation.

Issued in Burlingame, California, on August 31, 2011.

Arlene B. Draper,
Acting Manager, San Francisco Airports District Office, Western-Pacific Region.

DEPARTMENT OF TRANSPORTATION
Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2011–0097]

Pilot Project on NAFTA Trucking Provisions

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice; request for public comment.

SUMMARY: FMCSA announces and requests public comment on data and information concerning the Pre-Authorization Safety Audits (PASAs) for motor carriers that have applied to participate in the Agency’s long-haul pilot program to test and demonstrate the ability of Mexico-domiciled motor carriers to operate safely in the United States beyond the municipalities in the United States on the United States-Mexico international border or the commercial zones of such municipalities. This action is required by the “U.S. Troop Readiness, Veterans’ Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007” and all subsequent appropriations.

DATES: Comments must be received on or before September 22, 2011.

ADDRESSES: You may submit comments identified by FDMS Docket Number FMCSA–2011–0097 using any one of the following methods:

- Federal eRulemaking Portal: Go to http://www.regulations.gov. Follow the online instructions for submitting comments.
- Mail: Docket Management Facility, (M–30), U.S. Department of Transportation (DOT), 1200 New Jersey Avenue, SE., West Building, Ground Floor, Room 12–140, Washington, DC 20590–0001.
- Hand Delivery: Same as mail address above, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. All submissions must include the Agency name and docket number for this notice. See the “Public Participation” heading below for instructions on submitting comments and additional information.

Note that all comments received, including any personal information provided, will be posted without change to http://www.regulations.gov. Please see the “Privacy Act” heading below. Docket: For access to the docket to read background documents or comments received, go to http://www.regulations.gov at any time or to Room W12–140 on the ground floor of the DOT Headquarters Building at 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays.

Privacy Act: Anyone is able to search the electronic form of all comments received in the docket, and all personal information is made generally available 24 hours each day, 365 days each year. You can get electronic submission and retrieval help and guidelines under the “help” section of the http://www.regulations.gov Web site. Comments received after the comment closing date will be included in the docket, and will be considered to the extent practicable.

FOR FURTHER INFORMATION CONTACT: Marcelo Perez, FMCSA, North American Borders Division, 1200 New Jersey Avenue, SE., Washington, DC 20590–0001. Telephone (512) 916–5440 Ext. 228; e-mail marcelo.perez@dot.gov.

SUPPLEMENTARY INFORMATION:

Background

On May 25, 2007, the President signed into law the U.S. Troop Readiness, Veterans’ Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007 (the Act), [Pub. L. 110–28, 121 Stat. 112, 183, May 25, 2007]. Section 6001 of the Act requires that certain actions be taken by the Department of Transportation (the Department) as a condition of obligating or expending appropriated funds to grant authority to Mexico-domiciled motor carriers to operate beyond the municipalities in the United States on the United States-Mexico international border or the commercial zones of such municipalities (border commercial zones).

On July 8, 2011, FMCSA announced in the Federal Register [76 FR 40420] its intent to proceed with the initiation of a U.S.-Mexico cross-border long-haul trucking pilot program to test and demonstrate the ability of Mexico-domiciled motor carriers to operate safely in the United States beyond the border commercial zones as detailed in the Agency’s April 13, 2011, Federal Register notice [76 FR 20807]. The pilot program is a part of FMCSA’s implementation of the North American Free Trade Agreement (NAFTA) cross-border long-haul trucking provisions in compliance with section 6901(b)(2)(B) of the Act. FMCSA reviewed, assessed, and evaluated the required safety measures as noted in the July 8, 2011, notice and considered all comments received on or before May 13, 2011, in
