(viii) We may proceed to the final step, described in paragraph (b)(5)(vii) of this section, if the evidence in your file about your past relevant work is not sufficient for us to make a finding under paragraph (b)(5)(vi) of this section about whether you can perform your past relevant work. If we find that you can adjust to other work based solely on your age, education, and residual functional capacity, we will find that you are no longer disabled, and we will not make a finding about whether you can do your past relevant work under paragraph (b)(5)(vi) of this section. If we find that you may be unable to adjust to other work, we will assess your claim under paragraph (b)(5)(vi) of this section and make a finding about whether you can perform your past relevant work.

ACTION: Withdrawal of proposed rule.

SUMMARY: On July 15, 2011, EPA published a Notice of Intent to Delete and a direct final Notice of Deletion for the Hipps Road Landfill from the National Priorities List.
