## DEPARTMENT OF THE TREASURY

### Proposed Collections; Comment Requests

**AGENCY:** Departmental Offices; U.S. Department of the Treasury.

**ACTION:** Notice and request for comments.

**SUMMARY:** The Department of the Treasury, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to comment on the revision of an information collection that is proposed for approval by the Office of Management and Budget. The Office of International Affairs within the Department of the Treasury is soliciting comments concerning Treasury International Capital Form D, Report of Holdings of, and Transactions in, Financial Derivatives Contracts with Foreign Residents.

**DATES:** Written comments should be received on or before November 14, 2011 to be assured of consideration.

**ADDRESSES:** Direct all written comments to Dwight Wolkow, International Portfolio Investment Data Systems, Department of the Treasury, Room 5422, 1500 Pennsylvania Avenue, NW., Washington DC 20220. In view of possible delays in mail delivery, please also notify Mr. Wolkow by e-mail ([comments2TIC@treasury.gov](mailto:comments2TIC@treasury.gov)), Fax (202-622-2009) or telephone (202-622-1276).

**FOR FURTHER INFORMATION CONTACT:**

Copies of the proposed forms and instructions are available on the Treasury's TIC Forms webpage, <http://www.treasury.gov/resource-center/data-chart-center/tic/Pages/forms.aspx>. Requests for additional information should be directed to Mr. Wolkow.

**SUPPLEMENTARY INFORMATION:**

*Title:* Treasury International Capital Form D, Report of Holdings of, and Transactions in, Financial Derivatives Contracts with Foreign Residents.

*OMB Control Number:* 1505-0199.

*Abstract:* Form D is part of the Treasury International Capital (TIC) reporting system, which is required by

law (22 U.S.C. 286f; 22 U.S.C. 3103; E.O. 10033; 31 CFR 128) for the purpose of providing timely information on international capital movements other than direct investment by U.S. persons. Form D is a quarterly report used to cover holdings and transactions in derivatives contracts undertaken between foreign resident counterparties and major U.S.-resident participants in derivatives markets. This information is necessary for compiling the U.S. balance of payments accounts and international investment position, and for formulating U.S. international financial and monetary policies.

*Current Actions:* (a) The deadline for submitting the Form D report is shortened from 60 days to 50 days. The instructions, in section I.F, will read: "Form D reports should be submitted not later than 50 calendar days following the report's as-of date, which is the last day of the calendar quarter being reported." The change in the reporting deadline will allow the U.S. to meet international data reporting standards. That is, at present, the U.S. is able to report on time all elements of its balance of payments accounts and its international investment position collected by the TIC reporting system except for its data on derivatives. This shortening of the reporting deadline should be feasible given data reporters' experience in completing the report since it was introduced in March 2005. (b) In part 1 of Form D, the title of row 2.a is changed to *Forwards and Foreign Exchange Swaps* from *Forwards* and row 2.b will be entitled *Currency Swaps* in place of *Swaps*. The purpose of this change is to clarify where Foreign Exchange Swaps should be reported. There is no change in reporting requirements. For example, the current instructions for row 2.b describe currency swaps, not foreign exchange swaps. (c) These changes are effective beginning with the reports as of March 31, 2012.

*Type of Review:* Revision of a currently approved collection.

*Affected Public:* Business or other for profit organizations. Form D (1505-0199).

*Estimated Number of Respondents:* 35.

*Estimated Average Time per Respondent:* Thirty (30) hours per respondent per filing. Estimated Total Annual Burden Hours: 4,200 hours, based on 4 reporting periods per year.

*Request for Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The

public is invited to submit written comments concerning: (a) Whether Form D is necessary for the proper performance of the functions of the Office, including whether the information will have practical uses; (b) the accuracy of the above estimate of the burdens; (c) ways to enhance the quality, usefulness and clarity of the information to be collected; (d) ways to minimize the reporting and/or record keeping burdens on respondents, including the use of information technologies to automate the collection of the data; and (e) estimates of capital or start-up costs of operation, maintenance and purchase of services to provide information.

## Background

The Kingpin Act became law on December 3, 1999. The Kingpin Act establishes a program targeting the activities of significant foreign narcotics traffickers and their organizations on a worldwide basis. It provides a statutory framework for the imposition of sanctions against significant foreign narcotics traffickers and their organizations on a worldwide basis, with the objective of denying their businesses and agents access to the U.S. financial system and the benefits of trade and transactions involving U.S. companies and individuals.

The Kingpin Act blocks all property and interests in property, subject to U.S. jurisdiction, owned or controlled by significant foreign narcotics traffickers as identified by the President. In addition, the Secretary of the Treasury in consultation with the Attorney General, the Director of the Central Intelligence Agency, the Director of the Federal Bureau of Investigation, the Administrator of the Drug Enforcement Administration, the Secretary of Defense, the Secretary of State, and the Secretary of Homeland Security may designate and block the property and interests in property, subject to U.S. jurisdiction, of persons who are found to be: (1) Materially assisting in, or providing financial or technological support for or to, or providing goods or services in support of, the international narcotics trafficking activities of a person designated pursuant to the Kingpin Act; (2) owned, controlled, or directed by, or acting for or on behalf of, a person designated pursuant to the Kingpin Act; or (3) playing a significant role in international narcotics trafficking.
